Proceedings of the Madras Government, Financial Department,
3rd May 1872.

No. 32. Read the following Proceedings of the Board of Revenue, dated 26th March 1872, No. 2267 (Miscellaneous) :—

Read the following letter from the Acting Collector and President of the Local Fund Boards, Bellary, to the Secretary to the Board of Revenue, dated Bellary, 20th December 1871, No. 168 :—

Referring to the orders as per margin, I have the honour to submit Lists of Institutions to be transferred to the Municipalities of this District.

Government Order, Public Department, dated 9th May 1871, No. 619.
Board's Proceedings, dated 21st July 1871, No. 3061.
Do. do. " 31st October 1871, No. 4667.

2. In accordance with the orders contained in paragraph 15 of Government Order, No. 711, dated 28th ultimo, I beg to state that notifications intimating that it is the intention of Government to transfer the Dispensaries at Adoni, Gooty, and Anantapur to the several Municipal Commissions have been published in the District Gazette of to-day's date. Although not ordered, I have presumed to include a notification to the same effect with regard to the Bellary Municipality published also to-day.

3. I request permission to publish a similar notification with regard to the Munro Chuttrum at Gooty and the Millarpet Chuttrum at Bellary.

The Lists of Institutions to be transferred to Municipalities in the Bellary District will be submitted to Government, with reference to the orders marginally noted.

P. O., 9th May 1871, No. 619
Fin. Dept., 28th Nov. 1871, No. 711.

2. The proposals are as follow :—

1. Bellary Civil Dispensary, 2. Millarpettah Chuttrum,	... ...	To be handed over to the	Bellary Municipality.
1. Anantapur Dispensary	Do.	do.	Anantapur do.
1. Adoni Dispensary	Do.	do.	Adoni do.
1. Munro's Chuttrum, 2. Gooty Dispensary,	... ...	Do.	do.	Gooty	do.

3. The receipts of the Bellary Dispensary include the invested capital, but not the interest from it, nor the European and Native subscriptions, &c., which in 1869 and in 1870 were as shown in the margin. The charges aggregate Rupees 2,200. They amounted in 1869 to Rupees 2,831, and in 1870 to Rupees 2,895.

	1869.	1870.
	Rs.	Rs.
Interest	110	22
European subscriptions ...	60	421
Native subscriptions	771	576

4. The Millarpettah Chuttrum was built by Government, and is under their management. It has no income nor does any expenditure appear to be incurred in connexion with it. "Travellers when they come in large numbers generally put up at this place."

5. *Anantapur and Adoni Dispensaries.*—Apparently through a clerical error "Local Fund Boards" have been written in the heading of the statements showing the receipts and charges of these institutions. The error has been corrected. The receipts of the former are shown to be Rupees 1,900 and the charges Rupees 260. The latter amount is much more than the actuals of 1869 and 1870, viz., Rupees 104 and Rupees 129, respectively. The receipts of the Adoni Dispensary are given as Rupees 4,000. The Inspector-General's statement for 1870 shows that a sum of

Rupees 4,084 stood to the credit of this institution in the beginning of the year (1870) as invested capital, and Rupees 2,070 as floating balance. The charges which are entered as Rupees 1,196 are below what they were in 1869* and in 1870.†

* Rupees 1,505.
† Rupees 1,515.

6. Munro's Chuttrum has a money endowment of Rupees 2,045, but the statement shows that of this amount only Rupees 585 are available, to which sum the expenses of the institution have been restricted.

7. A loan of Rupees 7,000 was sanctioned by Government for the construction of a separate building for the Gooty Dispensary. The receipts‡ include the contribution§ from the Chuttrum funds. The charges are Rupees 2,436.

Government Order, Revenue Department, 6th June 1870, No. 830.

According to the Dispensary statements, prepared in the Inspector-General's Office, the receipts and charges were as follow :—

No. 33. ORDER THEREON, 3rd May 1872, No. 622.

The Government direct the publication of the following Notification in the *Bellary District Gazette* :—

NOTIFICATION.

Under Section 15 of the Towns' Improvement Act of 1871, and in pursuance of the intention of Government notified in the *Bellary District Gazette* under date 20th December 1871, the Governor in Council is pleased to declare the undermentioned institutions to be vested in the Municipal Commissioners of the towns hereunder specified, that is to say :—

The Civil Dispensary, Bellary, The Millarpettah Chuttrum,	... ... The Municipal Commissioners of Bellary.
The Civil Dispensary, Anantapur	... ... The Municipal Commissioners of Anantapur.
The Civil Dispensary, Adoni	... ... The Municipal Commissioners of Adoni.

2. The Government will not transfer the Munro Chuttrum to the Municipal Commissioners of Gooty. As regards the so-called Civil Dispensary at that place, the Government observe that it is in reality part of the endowed institution whereby the memory of Sir T. Munro is perpetuated. It was originally intended that the charges of the dispensary (which was to be called the "Munro Dispensary") were to be met from the endowment, and the amount available for its charges was estimated at Rupees 1,500. Of this, Rupees 600 per annum are absorbed for the repayment of the loan for building sanctioned by Government, and the dispensary receives Rupees 860 from the endowment. Charges in excess of this sum for medical attendance and medicines, amounting to about Rupees 1,440 per annum, have been paid by Government. These charges were divided between the Local

and Municipal Funds (Rupees 1,140 to the former and Rupees 300 to the latter) in G. O., 17th April 1871, No. 491.

3. The Government do not consider it desirable to sever the connexion now existing between the Dispensary and the Munro Institution by transferring the former to the Municipality. When the orders to this effect were issued, the connexion was overlooked. The orders are now cancelled, and the dispensary will be managed as heretofore. The charges borne by Government in excess of the endowment will, however, be transferred to Local and Municipal Funds as originally contemplated, and their contribution should be credited to the endowment in connexion with which the Dispensary receipts and charges will be accounted for. If the Local or Municipal Committees desire to extend the usefulness of the institution, it is open to them to increase their contribution. When the loan is paid off, the endowment funds set free can be devoted to the same purpose.

4. The President will report on the receipts and charges of the institution for 1871-72, and will adjust the recoveries from Local and Municipal Funds on account of charges paid Government in the ratios of the contribution ordered in G. O., 17th April 1871, No. 491, Public.
