No. 52. From the President of the Municipal Commission, Coonoor, to the Chief Secretary to Government, Fort St. George, dated Ootacamund, 2nd February 1872, No. 5.

I have the honour to forward Budget Estimates of the Coonoor Municipality for the official year 1872-73, prepared in accordance with Government Order, No. 1646, of 28th October 1871.

No. 52-A. From the Commissioner of the Neilgherry Hills, to the Chief Secretary to Government, Fort St. George, dated Ootacamund, 18th April 1872, No. 23.

I have the honour to submit, herewith, for sanction of Government, Budget Estimates of the Coonoor Municipality for 1872-73, with a statement of the several rates, taxes, &c., to be levied therein.

No. 53. ORDER THEREON, 14th May 1872, No. 644.

With his letter, dated 18th April 1872, the Commissioner of the Neilgherries submits estimates of receipts and disbursements of the Municipality of Coonoor, intended apparently to supersede those submitted under date 2nd February 1872. This should have been stated, and explanation given.

2. The estimated receipts from taxes are entered at Rupees 6,550 including Rupees 1,000 the proceeds of tolls under Section 77. Such tolls have never been sanctioned for Coonoor, and the Government think that the item must refer to the market tolls. As regards these tolls, the Government desire to be informed at what rates, where, by what agency and under what sanction they are levied. The Government have reason to believe that they are collected at the top of the ghaut, and not at the market place. The amount entered in the Budget will be transferred to Miscellaneous. The whole receipts are estimated at Rupees 7,850.

3. Nothing is assigned for repair of roads. Explanation should be furnished as regards the allotment for water channel, and it should be stated whether the amount cannot be transferred to communications. Provision must be made for results' grants to any schools which may qualify, and for the contribution to the Neilgherry Local Fund for inspection. Rupees 200 will be entered for the former purpose, and Rupees 70 for the latter, and, to balance the budget, the grant for Public Works will be reduced by Rupees 170. The municipal contribution for the dispensary should be credited to Government, the charges heretofore borne by Government being debited in full to Provincial Funds.
