Not to be folded or roughly handled

No. 56. Read the following letter from G. K. WINTER, Esq., Madras, to the Chief Secretary to Government, Fort St. George, dated Madras, 29th April 1872:—

I send you, by bearer, the box of coins, also a wooden case containing six boards on which are fixed the types of those coins I have been able to manage. Each type is numbered, the number corresponding with that of the coin as given in the list.

2. I enclose proof sheets, and hope you will like them. Of course with skilled printers and proper appliances better results should be obtained.

3. The metal used is not quite so hard as type metal. The printers should, therefore, be warned not to use too much pressure when printing.

4. The actual cost of the work is Rupees 37-9-3.

No. 57. ORDER THEREON, 14th May 1872, No. 652.

The Government are much indebted to Mr. G. K. Winter for the casts taken by him of the gold and silver coins belonging to the late Mint, and required by the Mint Master, Calcutta, and beg him to accept their best thanks for his valuable assistance.

2. The Accountant-General will reimburse Mr. Winter the charges incurred for the casts, amounting to Rupees (37-9-3) thirty-seven, Annas nine, and Pies three. The Government would be glad to reimburse Mr. Winter's subordinates for any assistance they may have rendered in manipulation.

3. The coins will be returned to the Superintendent of the Government Central Museum, who will furnish, with as little delay as practicable, a list of the weight of each coin, entering the weight in a descriptive list to be submitted to the Government of India.

4. Ordered that the following letter be despatched to the Government of India:—
