Proceedings of the Madras Government, Financial Department,
19th January 1872.

No. 83. Read the following Resolution of the Government of India in the Financial Department, dated Fort William, 28th December 1871, No. 3359 (Accounts):—

The Governor-General in Council having observed that the estimates for the grant "Marine" are not in sufficient detail, is pleased to direct the adoption of the accompanying Forms A and B. The detail in Form A will be printed in the Comptroller-General's Volume of Civil Estimates; and, with an extra column for the actuals of eight months, will be followed also in the Civil Estimate of the Presidency or Province concerned. The Departmental Estimate, which has to be submitted by the Local Government to the proper Administrative Secretariat of the Government of India, will also be in Form A, but will be accompanied by an appendix in Form B, a copy of that appendix being also submitted to the Government of India in the Financial Department.

2. The estimates for the coming year are probably being framed in the form hitherto observed; but without interfering with existing arrangements for the submission of the Civil Estimate and the Departmental Marine Estimate by the appointed date, in the forms hitherto observed, to the Financial and Marine Secretariats, respectively, of the Government of India, the estimate for the Marine grant should also be recast as early as practicable into the forms now prescribed for the Departmental Estimate, and be submitted to the Marine Department of the Government of India.

Ordered that a copy of this Resolution be sent to the Governments of Madras, Bombay, and Bengal; the Chief Commissioner of British Burmah; the Comptroller-General; the Accountants-General, Madras, Bombay, and Bengal; and the Deputy Accountant-General, Rangoon.

Secy. to the Govt. of India.

No. 84. ORDER THEREON, 19th January 1872, No. 68.

The Budget Estimate for the Marine Department for 1872-73, having already been prepared in the form hitherto observed, will, to prevent delay, be despatched to the Government of India.

2. The Master Attendant is, however, requested to recast the estimate for the Marine grant in accordance with the forms received with the foregoing Resolution, and submit it to Government at an early date for transmission to the Government of India.
