Proceedings of the Madras Government, Financial Department,
28th May 1872.

No. 111. Read the following letter from A. WEDDERBURN, Esq., President of the Municipal Commission, Coimbatore, to the Secretary to Government, Fort St. George, dated Coimbatore, 7th May 1872, No. 16 :—

I have the honour to solicit the orders of Government as to whether bandy-pettahs within municipal limits are not the property of the Municipalities, and whether their sites, when no longer required for such purposes, may be sold to the credit of Municipal Funds. Bandy-pettahs are not vested in the Municipal Commissioners either by the Act, or by special orders of Government, and Government Order, No. 2700, of 15th November 1867, strictly prohibits Collectors from granting any Government land without their orders to Municipalities. The Erode Municipal Commissioners are desirous of removing their present bandy-pettah to another site which they will have to purchase, and they wish to pay for the latter from the sale proceeds of the present site. The bandy-pettah, though not specially transferred to them, is nevertheless practically their property since they have undertaken its maintenance, &c., from their funds. There seems, therefore, to be no objection to their crediting the sale proceeds of the site to Municipal Funds.

No. 112. ORDER THEREON, 28th May 1872, No. 691.

The Government cannot pass orders on the general question put by Mr. Wedderburn in the beginning of his letter.

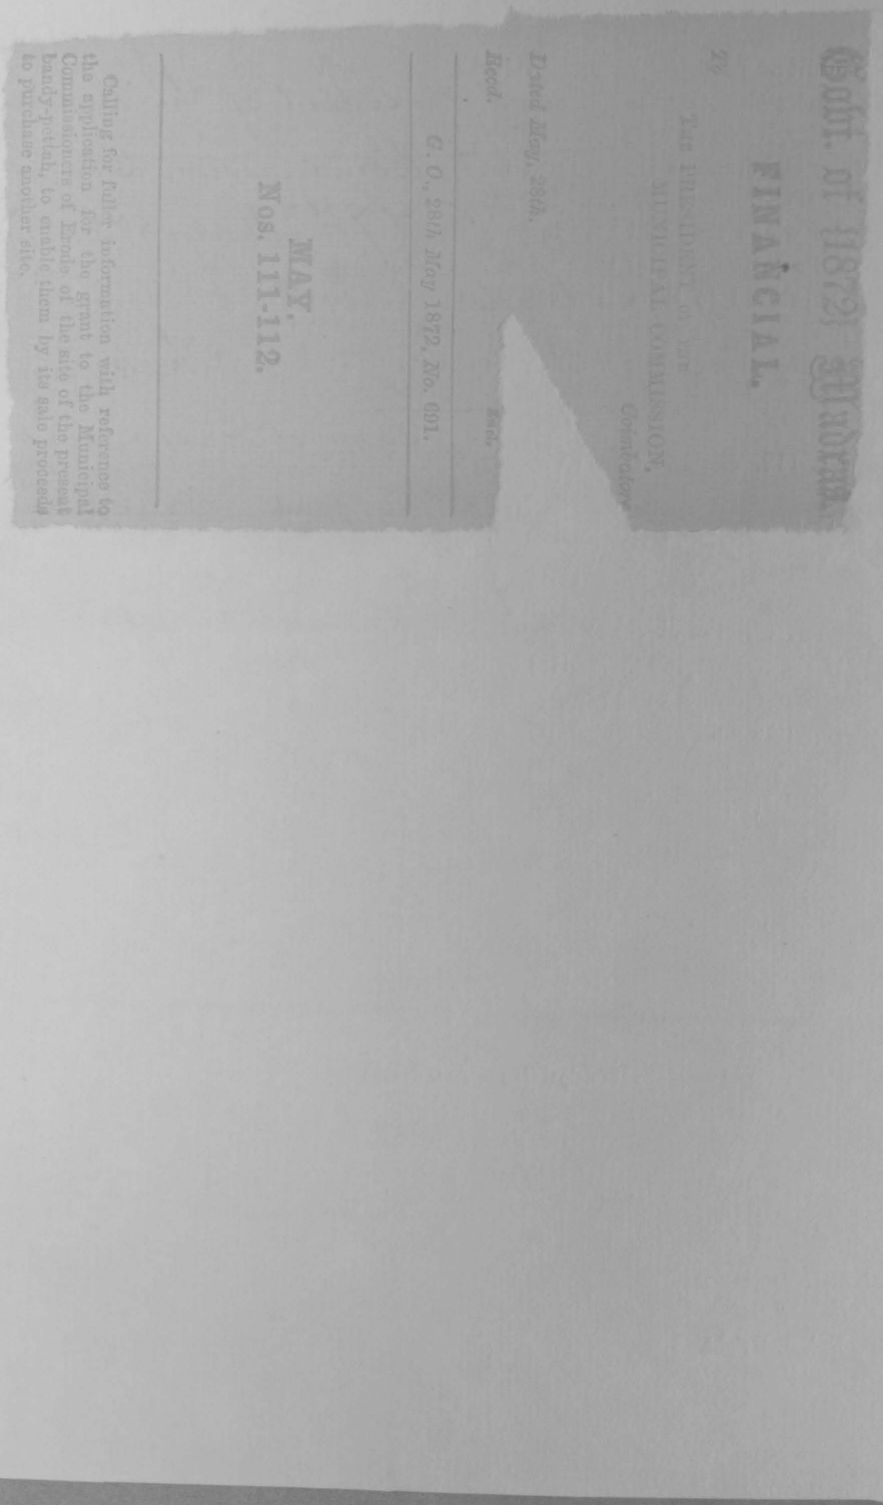

2. As regards the bandy-pettah at Erode, information must be furnished whether it is village site, and at the disposal of Government. If so, the Government will not object to its assignment to the Municipal Commissioners, in view to their recouping themselves by its sale for the cost of, it is presumed, preferable accommodation to be provided by them elsewhere. This point must be more fully reported on.

Sir,

I have the honor to solicit the orders of Government as to whether Bandy pettahs within Municipal limits, are not the property of the Municipalities, and whether their sites, when no longer required for such purposes, may be sold to the credit of Municipal Funds. Bandy pettahs are not vested in the Municipal Commissioners either by the Act, or by special orders of Government, and Government Order No. 2700 of 15th November 1867 strictly prohibits Collectors from granting any Government lands without their orders, to Municipalities. The Erode Municipal Commissioners

The Bandy pettah, though not specially transferred to them, is nevertheless, practically their property since they have undertaken its maintenance, &c, from their funds. There seems therefore to be no objection to their appropriating the sale proceeds of the site to Municipal Funds.
