Public Works Establishment is owing to the entertainment of a permanent gang of road coolies. The grant for education comprises Rupees 350 for results' grants, and Rupees 100 for Educational Inspection. The latter is excessive as compared with the former. The Commissioners should endeavour to do more for primary instruction. The Municipal contribution for the dispensary should be credited to Government (Provincial Services) as the whole charges for medical subordinates and servants always borne by Government, and part of which the contribution was intended to cover, are debitable to Provincial Funds. The grant for the repayment of the loan Rupees 4,075 is correct as shown in the margin. The other items of expenditure are passed and the budget is sanctioned. The usual notification for the levy of the taxes will be issued.

NOTIFICATION.

Under the provisions of Section 38, Act III. of 1871 (the Towns' Improvement Act), the Governor in Council authorizes the Municipal Commissioners for the Town of Ootacamund, in the Neilgherry Hills, to levy, during the year beginning 1st April 1872 and ending 31st March 1873—

Taxes on carriages, horses, and other animals as described in Schedule C to the above Act annexed.
