Proceedings of the Madras Government, Financial Department,
29th May 1872.

No. 160. Read the following letter from E. G. BALFOUR, Esq., Inspector-General of Hospitals, Indian Medical Department, to the Chief Secretary to Government, Fort St. George, dated Fort St. George, 7th May 1872, No. 140 :—

I have the honour to submit to His Excellency the Governor in Council, with reference to G. O., No. 566, of 26th April 1872, relating to the Erode Municipality, that this day the numbers in the Hospital Assistant grade are 41 below the fixed establishment, and one of that class cannot be spared without inconvenience. But there are to-day 20 passed Hospital Apprentices surplus to the establishment, and one of that grade or an Assistant Apothecary or Apothecary can be spared. The pay and allowances of the Warrant Medical Officers in the several grades are as per margin.

	Rs.
Passed Hospital Apprentice ...	72
Assistant Apothecary	150
Apothecary	210

2. If the Erode Municipality can afford to pay the small additional sum needed for the full pay and allowances of a Hospital Apprentice, it would be greatly more convenient to detach one of that grade, but if the Municipality cannot afford more, I will send one of the Hospital Assistants.

No. 161. ORDER THEREON, 29th May 1872, No. 713.

The foregoing letter will be referred to the President of the Municipal Commission, Erode, for report. It is observed that a medical subordinate will not be required at all unless the Commissioners resolve to establish a Dispensary, and that in any case one will not be wanted until the arrangements for starting it are matured. There is no immediate necessity for despatching a medical subordinate to Erode, and Dr. Balfour will await the reply of the President and the orders thereon.
