*Proceedings of the Madras Government, Financial Department,
30th May 1872.*

Read the following papers:—

No. 164. From the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, Fort St. George, dated Fort St. George, 27th April 1872, No. 278.

I have the honour to bring to the notice of Government that, in reply to a requisition from this office made on 9th March 1872, upon a communication* from the Accountant-General¹ of the Public Works Department, the Acting Superintending Engineer of the 7th Division reports, in letter No. 3, dated 20th April 1872, that the value of work done by the Sappers and Miners in 1871-72, and chargeable to the Coonoor Ghaut Works in the Neilgherry Range, amounts to Rupees 2,311-7-0, and that the adjustment will be made in the *current year* on receipt of the detailed Local Fund Budget of the Neilgherry District for 1872-73. No explanation has been afforded by Lieutenant-Colonel Farewell of the delay in making the report of this transaction and in effecting its adjustment in the accounts, although the necessity for the prompt settlement of such transactions was clearly shown in correspondence with that officer for some time past.

2. In orders communicated with Public Works Proceedings, No. 192, dated 21st March 1872, funds were granted to meet the adjustment† of Rupees 3,131-2-1 on account of the value of Sapper labour performed in 1869-70 and 1870-71. As the instructions from the Accountant-General of the Public Works Department are such that the adjustment of the amount referred to in paragraph 1 cannot be deferred to the accounts of 1872-73, I propose, with the approval of Government, that the necessary entries to the credit of the "Military Department," and to the debit of the work, be made in the accounts for March 1872.

Transferred to the Financial Department.

FORT ST. GEORGE, (Signed) G. W. WALKER, Colonel, R. E.,
