*Proceedings of the Madras Government, Financial Department,
30th May 1872.*

No. 178. Read the following letter from the Officiating President of the Municipal Commissions, Tanjore District, to the Officiating Chief Secretary to Government, Fort St. George, dated Vallam, 13th May 1872, No. 91:—

As directed in the Order of Government, dated 26th March 1872, No. 376, I have the honour to forward a statement of the revised boundaries, as also a rough map showing the present and proposed boundaries.

2. The portions marked in yellow in the sketch indicate the localities which it is proposed now to include within the municipal limits.

No. 179. ORDER THEREON, 30th May 1872, No. 731.

The Governor in Council is pleased to sanction the extension of the boundaries of the town of Tanjore on the southern and western sides, as requested by the Municipal Commissioners, so as to include the European houses which have been recently built, and an important tank.

2. The revised notification will be published in due course.

NOTIFICATION.

In modification of the Notification defining the limits of the Municipal Town of Tanjore, published in the *Fort St. George Gazette* under date the 8th October 1866, the Governor in Council, under Section 5, Act III. of 1871, is pleased to declare that the boundaries of the said town shall be as follow:—

North.—Jembugakaveri Channel in the limits of Manakarambai, commencing from the point where it meets the old path to Tiruvadi and running from west to east up to the old bridge over the Channel situated directly north of the Palliyagraharam wet lands.

East.—A straight line drawn from the Anjukkan (five arch bridge) to the Puliampallam Sarukkai or Calingula, and another straight line drawn from the latter point to the old bridge over the Jembugakaveri Channel and traversing the wet lands of Palliyagraharam.

South.—A straight line drawn from large milestone on Vallam road to the bridge over Jembuchettivari on Nanjikottai road, another straight line drawn from that point to the Anjukkan (five arch bridge) on Road No. 8, or old Negapatam road, and including Pukkara street, Bandikara street, and Baji Venkatachelapadi Choultry and garden.

West.—A straight line drawn from the large milestone on Vallam road to the viaduct over the Railway, and another straight line drawn from the latter point to Calingula in Sepunaikanvari up to the south-western extremity of Nilagiri Tottam, then the western boundary of the Nilagiri Tottam, then a straight line drawn from the north-western extremity of the Nilagiri Tottam to the points where the Sakkrampettai road meets the old path to Trivadi, and, lastly, the last-mentioned path to the point where it meets the Jembugakareri Channel at Manakarambai.

(By order of the Right Honourable the Governor in Council.)

Chief Secretary.

To the President of the Municipal Commissions, Tanjore.

Exd. J. Wright.

In modification of the Notification defining the limits of the Municipal town of Tanjore published in the Fort St. George Gazette under date the 30th Oct 1871 by the Governor in Council under Section 5, Act III of 1871, I am pleased to declare that the boundaries of the said town shall be as follows:—

North Jambugakavari Channel in the limits of Minakarambali commencing from the point where it meets the old path to Tiruvadi and running from west to east up to the old bridge over the Channel situated directly north of the Palliyagaram wet lands.

East A straight line drawn from the junction (five arch bridge) to the Pulimpalam Sarukhai or Palimola and a straight line drawn from the latter point to the old bridge over the Jambugakavari Channel and traversing the wet lands of Palliyagaram.

South A straight line drawn from large mile stone on Vallam road to the bridge over Jambuchetti vari on Nainkottai road, and a straight line drawn from that point to the Amjakkottai (five arch bridge) on Pondicherry road and including Pankhara Street, Pandikhera Street and Baji or Venkatachelaipadi Choultry and garden.

West A straight line drawn from the large mile stone on Vallam road to the viaduct over the Railway and another straight line drawn from the latter point to Calingula in Sepu-nakkam vari up to the South western extremity of Nilagiri Sattam, then the western
