No. 188.

Sanctioning an additional establishment for the Financial Department of the Government Secretariat on account of the increase of work in that Department.

Memorandum.

The increase, and special character, of the work in the Financial Department necessitates the establishment of a special establishment, a measure which has been, from the period of the decentralization Order contemplated by Govt.

2. The following scale is proposed.

one Officer to be designated Rs
-rated Sub-Assistant
to the Chief Secretary — 300
Accountants.

1 on Rs 60
1 on Rs 30
Per mensem 90
Per annum 4680

3. The work of the Establishment would be to keep Budget Registers

Why not put the salary at Rs 250 a month it. If an increase is required we can go up for it hereafter.

of grants made from pro-
-vincial Funds, and to note
up therein expenditure
against the grants; to
examine the monthly ac-
-counts of receipts and ex-
-penditure, and to prepare
monthly statements showing
the Financial position of
the Govt. as regards provin-
-cial Funds, to assist in
the review of the Budgets
of heads of Provincial
departments, and in the
formation of the Provin-
-cial Budget; to aid in the
review of Local Municipi-
-pal Budgets and Reports;
and generally to do the
figure work in the office
which is now often badly
done owing to the want
of specially trained hands.

The

The establishment should
be primarily for provin-
-cial and local work
but it would also be
useful in the Financial
Department in connec-
-tion with Imperial receipts
Expenditure & accounts.

4. The head of this es-
-tablishment should work
under the Under Secretary
and the 1st Assistant. As
his pay will exceed Rs 250
per mensem, the sanction
of the Govt. of India
for the creation of the
appointment is necessary
under para 21 of the
Decentralization order.
The accompanying draft
letter contains the requi-
-site application.

3. The establishment
will be employed prima-

-rily from provincial ne-
-cessity, and I submit
that its costs should be
borne entirely by provin-
cial Funds. It will
only deal with Local
Funds at second hand,
the immediate control
being exercised by the
Board of Revenue, whose
establishment is paid
from Local Funds. The
charge against these
funds for controlling
Establishment is already
heavy, viz. Rs 22,430 per
annum.

The Council of the Govt.
to the Stat. has long
been admitted.

I think that the charge
shd be borne by Imperial
Funds properly. ~~as in the last~~
Imperial policy. Otherwise by
provincial. Certainly not by local.

It is useless to propose
this as an improved
change.

The Secretary to the Government
of India,

Financial Department.

Sir,

The great increase to
the work of the Financial
Dept. of this Secretariat,
since the introduction
of the scheme of provin-
-cial services, and the
organization of Local
Funds under Madras
Act II of 1871, necessitates
the strengthening of
the Establishment; and
this Government propose
to entertain an Officer
to be designated Sub-
Assistant to the Chief
Secretary

I don't like
designation, but I
hardly know
better. A. A.

Secretary, Financial
Department, and two
Accountants, the whole
expense being borne by
provincial funds. It is
proposed to assign a
salary of Rs 300 to the
Sub Assistant; and with
reference to Cl. 1 para 21
of the Govt. of India Re-
solution, of 14th December
1870 N^o 3334, I am di-
rected to request the
sanction of the Govt. of
India for the creation
of the Appointment.

LD

But I think we sh^d
first try to get the
charges admitted as
an Imperial one

This I agree as
quite proper.
