No. 89. Read the following Proceedings of the Board of Revenue, dated 4th January 1872:—

From J. FRASER, Esq., Collector of the Godavery District, to the Secretary to the Board of Revenue, dated Cocanada, 19th August 1871, No. 294.

ABSTRACT.—Stating that the Managing Committees of the Civil Dispensaries at Rajahmundry and Cocanada have agreed to those institutions being transferred to Municipalities.

From H. E. SULLIVAN, Esq., Acting Collector of the Godavery District, to the Acting Secretary to the Board of Revenue, dated Cocanada, 7th December 1871, No. 402.

I HAVE the honour to forward a revised estimate of receipts and charges of the Civil Dispensaries of Cocanada and Rajahmundry, as directed in the Board's Official Memorandum, No. 1295, under date the 28th September. It is not clear to me whether the salaries of the Dressers and value of European medicines should be provided under charges. There is a first-class Dresser on Rupees 60 pay per mensem attached to each of the institutions. I find that the Master Attendant debits in his accounts Rupees 120 to the Port Fund on account of the Seaman's Hospital at Cocanada. The contributions determined by the Local Fund Boards and the Municipal Commissioners have been shown under receipts.

2. The Dispensary building at Cocanada was erected by Government in the first instance and transferred to the Managing Committee of the said Institution—*Vide* Government Order, No. 1245, dated 9th October 1867.

3. The Dispensary at Rajahmundry, according to the information given by the Civil Surgeon of the station was built by Government; but there is no order of Government formally transferring it to the Managing Committee of the Institution.

ENCLOSURE No. 1.—Revised Estimate.

SUBMITTED for the orders of Government.

2. The Committees of the Rajahmundry and Cocanada Dispensaries have consented to their being transferred to the Municipalities.

3. The Collector states that all that is debited to the Port Funds on account of the Seaman's Hospital at Cocanada is Rupees 120. According to the ruling of Government the whole charges, which are estimated to amount to Rupees 1,440, are to be paid from those funds. Perhaps the Collector means Rupees 120 a month.

No. 90. ORDER THEREON, 23rd January 1872, No. 79.

With reference to paragraph 7 of G. O., 12th December 1871, No. 772, a report of the notification of the intention of Government to transfer the Civil Dispensaries in question is awaited.

2. The Government believe that the Seaman's Hospital at Cocanada is distinct from the Civil Dispensary. If so, there will be no contributions from Port Funds towards the cost of the latter. These funds will pay the charges hitherto

borne by Government for the Seaman's Hospital, the general charges being met as hitherto from subscriptions, &c.
