Proceedings of the Madras Government, Financial Department, 2nd July 1872.

No. 5. Read the following letter from the Officiating Under Secretary to the Government of India, Home Department (Public), to the Chief Secretary to Government, Fort St. George, dated Simla, 4th June 1872, No. 2404 :—

In connexion with the appointment, by His Excellency the Governor in Council, of Special Deputy-Collectors in certain Districts of the Madras Presidency for the performance of work connected with the new local taxation schemes, I am directed to observe that there is, at present, a great redundancy of Junior Civil Servants in the Bombay Presidency. It is possible that the services of a few of these might be turned to account in the Canarese Districts of the Madras Presidency with economy to Imperial revenues; and the Government of India would be glad to learn the views of the Madras Government on this point.

No. 6. ORDER THEREON, 2nd July 1872, No. 842.

Ordered that application be made to the Bombay Government for the transfer of three or four Covenanted Assistants from that Presidency to Madras, if they can be spared.

Sir,

In connection with the appointment by His Excellency the Governor in Council of a special Deputy Collector in certain Districts of the Madras Presidency for the performance of work connected with the new local taxation scheme, I am directed to observe that there is at present a great redundancy of Junior Civil Servants in the Bombay Presidency. It is possible that the services of a few of these might be turned to account in the Canarese Districts of the Madras Presidency with economy to Imperial revenues, and the Government of India would be glad to learn the views of

of the Madras Government on this point.

Read that application be made to the Board of Revenue for the transfer from or from Assistants from that Province to Madras. If they can be spared -

I think this is a very good suggestion. We are at present much in want of civil servants. I would earnestly ask for two junior civil servants from Bombay, and for such Canarese and Telugu as may be required to assist in the Collectorate and Courts of Justice.

I would ask for 3 or 4 at once

I think we may ask for these as loan - the question of the mode of employing them left for further consideration
