No. 24. Read the following Proceedings of the Board of Revenue, dated 13th June 1872, No. 4225 (Miscellaneous):—

Read the following letter from the President of the Local Fund Boards, Coimbatore, to the Secretary to the Board of Revenue, dated Coimbatore, 1st June 1872, No. 20:—

In G. O., No. 713, of 28th November 1871, the Government have sanctioned the following Local Fund Establishment for this District, viz.:—

		Rs.
One Clerk,	President's Office	35
One ,,	Collector's ,, ...	25
One ,,	Southern Circle	30

and, under Local Board's Proceedings of 5th March, an attender has been appointed for the President's Office on Rupees 7 a month. So that for the administration of upwards of 2½ lakhs of local funds, the District Officers are supplied only with an establishment of Rupees 97 a month = 1,164 Rupees per annum.

2. In G. O., No. 504, of 29th September 1871, paragraph 3, the Government noted that the establishment sanctioned for the several districts was tentative, and if found insufficient, it might be increased.

3. I find that the establishment named above is insufficient. The forms prescribed for Local Fund Account number 20 returns for both the circles, to be submitted to the Accountant-General and Revenue Board every month, and there are 10 Tahsildars and 4 Range Officers' Accounts to be checked, examined, and compiled for the purpose. The received and despatched letters, referring solely to Local Funds, amount to 520 for the last five months, and there are the annual reports, the preparation of special returns, of papers to be laid before the meetings, and the record of the Local Board Proceedings, which took away much of the time of my regular establishment, to the detriment of their proper duties.

4. Under these circumstances, I have the honour to propose the following establishment as necessary for the proper conduct of Local Fund business:—

	Proposed Establishment.	Present Establishment.
President's and Northern Circle Office.	Rs.	Rs.
One Clerk	60	...
One ,, ...	25	35
One Attender	7	7
Account Office.		
One Clerk	40	...
One ,, ...	15	25
Southern Circle.		
One Clerk	30	30
One Attender	7	...
Total ...	184	97

5. This proposal involves an increase of Rupees 87 per mensem. The total cost of Rupees 184 should be divided equally between the two circles, as much of

the Southern Circle work necessarily passes through the President's Office, and the accounts are prepared for both circles in the Collector's Office.

6. I beg that early sanction may be given, as I find much difficulty in arranging for the preparation of the accounts and reports connected with the Fund.

7. The extra cost involved is Rupees 1,044 per annum, for which there are ample funds available.

The expediency of increasing the Local Fund Office Establishment in Coimbatore is evident, but it is necessary to distinguish that part of it which will be entertained expressly to aid the Collector and President in discharging the work of both circles, and the cost of which will be rateably distributed between them, from the part which will be apportioned more immediately to each Local Board.

2. The Board resolve to request Government to sanction the following establishment:—

Office of the Collector and President.

	Rs.
One Clerk	60
One Accountant	40

Office of the Northern Circle.

One Clerk	30
One Attender	7

Office of the Southern Circle.

One Clerk	30
One Attender	7

The total cost will be Rupees 174 a month, or Rupees 77 more than at present.
