Proceedings of the Madras Government, Financial Department,
5th July **1872.**

No. 38. Read the following Proceedings of the Board of Revenue, dated 13th June 1872, No. 987 :—

Read the following letter from W. S. WHITESIDE, Esq., Acting Collector and President of the Local Fund Boards of North Arcot, to the Secretary to the Board of Revenue, dated Arnee, 28th May 1872, No. 223 :—

I HAVE the honour to forward, herewith, for the sanction of the Board of Revenue, an estimate, amounting to Rupees 1,145, for raising the second mile of the road from Gudiatham to Satghur, which lies in front of the bed of the Cheruvanki tank.

2. The estimate has been approved by the Local Fund Board of the Chittoor Circle. Copy of an Extract from the Minutes of their Proceedings at a Meeting held on the 7th instant is enclosed. The Board of Revenue will observe therefrom that I am requested to ask Government whether they will be pleased to sanction a grant out of Provincial Funds for the work in question. The reasons for this application are as follow.

3. An old bandy track long existed from Gudiatham to Satghur, and about five years ago the present good road was made over the old track and skirting the water-spread of the Cheruvanki tank. Last year the tank *(an agricultural work)* was much improved out of Imperial Funds, and by the improvements the store of water was increased. The water, when the tank is full, now entirely submerges the road, and in consequence the Local Funds will have to stand the charge for raising it, amounting, as already stated, to Rupees 1,145. As this is necessitated simply by the imperial work I trust that the Board of Revenue will be pleased to move Government to sanction an Imperial grant-in-aid of the proposed work.

SIR,

I have the honor to request that His Excellency The Governor in Council will be pleased to move the Secretary of State for India to recover from Mr. C. R. Pelly, Civil & Sessions Judge of Tranquebar, now in England on Furlough the sum of Rupees Forty five and annas eight.

This sum is the amount of a retrenchment issued by this Office on account of Income Tax on pay drawn by Mr. Pelly for March and April last, and it is entirely due to the remissness of the Deputy Collector in charge of the Treasury that this sum was not recovered in this Country.

The Income Tax act published after the Viceroy's sanction in Gazette of India 29th April 1872 must have reached Tanjore before pay for April was issued and the Deputy Collector
