No. 115. Read the following Proceedings of the Board of Revenue, dated 15th June 1872, No. 1008:—

Read the following letter from T. A. N. CHASE, Esq., President of the Local Fund Board, Kurnool, to the Secretary to the Board of Revenue, dated 21st May 1872, No. 170:—

With reference to Government Proceedings, No. 780, dated 8th March 1866, P. W. D., the Superintending Engineer has submitted plans and estimates, amounting to Rupees 1,84,600, for improving and completing that portion of the high road from Chittoor to Kurnool *via* Cuddapah and Nundial, which lies between Voravakallu at the 15th and Ayalur near 48th mile-stone. I have the honour to inform you that the following resolution has been passed by the Local Fund Board on the subject:—

"The Board do not consider it necessary to have such extensive and numerous works made, and think that all that is necessary for the present will be to have dams No. 7 at Pahlem and No. 9 at Balapanur, constructed at a cost of Rupees 2,971-10-9 and Rupees 6,641-5-4, and resolve to forward these portions of the estimates to the Board of Revenue."

2. The necessity for the improvement of this road with several others, was brought to the notice of Government by the Superintending Engineer, in his letter No. 209, dated 15th February 1866, and although the Government passed no orders regarding this road, the present incomplete state of the road renders the proposed work necessary.

3. As no provision has been made in the current year's Budget, a sum of Rupees 5,000 may be placed at the disposal of Public Works Department out of the Reserve.

Enclosures Nos. 1 to 6.—Plans and Estimates.

The estimate for constructing a dam at Paniem on the trunk road between Kurnool and Cuddapah at a cost of Rupees 3,120* is sanctioned.

2. That for constructing a dam at Balapanur at a cost of Rupees 6,970* will be submitted for the sanction of Government.

3. On receipt of orders from Government the Board will be prepared to appropriate the required amount from the Reserve.

* Obtained from the sums given by the President by adding 5 per cent. for superintendence and sundries.

(A true Copy and Extract.)

(Signed) J. GROSE,
Secretary.

No. 116. Order thereon, 20th July 1872, No. 928.

The estimate for constructing a dam at Balapanur, at a cost of Rupees 6,970, is sanctioned.

Proceedings of the Madras Government, Financial Department,
20th July 1872.

2. The Board will make the necessary appropriation from the Reserve.
