Enclosure one.
Case Proceedings.

I have the honour to forward, for the favourable consideration of Government, copy of proceedings of Captain J. Pennycuick, R. E., Executive Engineer, Dindigul Range, to investigate a claim to gratuity on the part of the widow of a cooly who was lately employed on the Kodicanel Ghaut Road, Madura District, and who, on the 27th December 1870, met with an accident which terminated fatally; and I take the opportunity to recommend that the sum of Rupees 42, being equal to six months' pay of the deceased, may be granted to the widow in consideration of the peculiar circumstances under which her husband died.

2. When the accident occurred the Taluq Overseer was absent on leave. The Police, however, inspected the body of the cooly and made inquiries, but no regular inquest appears to have been held on it.
