Proceedings of the Madras Government, Financial Department,
20th July 1872.

No. 129. Read the following letter from the President of the Municipal Commission, Coimbatore, to the Chief Secretary to Government, Fort St. George, dated Coimbatore, 20th June 1872, No. 10:—

I have the honour to request the sanction of Government to the resolution of the Coimbatore Municipal Commissioners to lend Rupees 2,000 of their monies, at the rate of six per cent. per annum, in sums from Rupees 50 to Rupees 100, re-payable in one or two years, to persons about to construct new or repair old houses, to enable them to tile instead of thatch the same. Applications have been received for sums amounting to Rupees 340. Government have in Proceedings dated 26th October 1871, No. 1626, approved of this principle rather than that of compelling the poor to build tiled houses, which all would do if they could afford it, as being cheaper in the end.

Extract from the Proceedings of the Municipal Commission, Coimbatore, dated 12th June 1872.

Read report of Native Commissioners approving of the same, and suggesting the amount to be set apart and steps taken for ascertaining the solvency of parties to whom such loans might be made.

Resolved that a sum of Rupees 2,000 be set apart for the above purpose to be loaned in sums from 50 to 100 Rupees at six per cent. per annum.
