No. 143. Read the following letter from the Accountant-General, to the Chief Secretary to Government, Fort St. George, dated Fort St. George, 21st June 1872, No. 183 :—

Book Department.

With reference to the Order of Government, No. 772 of 11th instant, Financial Department, I have the honour to state that the disbursements made on salt works for famine relief up to 31st March 1872 amount to Rupees 3,000 only in the Ganjam District, and have been adjusted to the debit of salt. No advances were made by the Collector of Vizagapatam up to that date for salt works.

2. In my statement to Government sent with letter, No. 138, of 8th instant, the expenditure for sinking wells was not included, because charges of this nature were in previous years taken agreeably to Government Order, No. 1204, of 10th August 1870, Revenue Department, to "Miscellaneous," but as the Government Order of the 11th instant directs in paragraph 3 that such charges should be debited to "Agricultural, Ordinary," the requisite information will be obtained from the Collectors, and sanction for a grant from Public Works Budget will then be sought from Government.
