No. 159. Read the following Proceedings of the Board of Revenue, dated 2nd July 1872, No. 1172 :—

Read the following letter from A. WEDDERBURN, Esq., President of the Local Fund Board, Coimbatore, to the Secretary to the Board of Revenue, dated 14th June 1872, No. 23 :—

I HAVE the honour to forward an estimate of Rupees 28,200 for repairing where necessary, and providing with bridges and culverts, a portion of the road from Coimbatore to Kongheim, running through Cotton soil, and requiring to be otherwise completed. The Local Board have approved the estimate at their Meeting, under date the 28th May 1872. The necessity for the work is given in the accompanying extract of the Range Officer's letter, No. 84 of 12th July 1870, when the work was first proposed :—

"This road has never been thoroughly made, streams are bridged only for seven miles from Coimbatore, and during rainy seasons some of them are difficult to cross. The road runs through ten miles of Cotton soil and twelve miles of soft soil, to these miles the materials have to be carted at an average distance of one mile. Traffic has much increased owing to the opening of Southern Railway Feeder and the Cotton Company at Palladam. This road becomes very bad during rains."

2. If the estimate be sanctioned, funds will be provided when available.

ENCLOSURE No. 1.—Estimate.

THE estimate for repairing and improving the road from Coimbatore by Sooloor, Palladum, and Avenashepollium to Konghiem at a cost of Rupees 28,200 will be submitted for the sanction of Government.

2. The President shows that the work is necessary and states that funds will be provided when available.
