Proceedings of the Madras Government, Financial Department,
20th July 1872.

No. 163. Read the following letter from the Acting Collector of Vizagapatam, to the Chief Secretary to Government, Fort St. George, dated Vizagapatam, 8th June 1872, No. 591:—

Referring to G. O., dated 19th April last, No. 540, I have the honour to forward, herewith, explanations from the Municipalities of Vizagapatam, Bimlipatam, and Vizianagram. That from Palcondah has not come to hand, but will be forwarded as soon as received.

2. *Vizagapatam.*—It will be observed that, in Vizagapatam, the tolls levied do not exceed half the rates mentioned in Schedule D. The remark in the statement that full rates are collected was, therefore, a mistake. The course prescribed in paragraph 2 of the G. O. as to the payment of the Local Funds' contribution to the Civil Dispensary at Vizagapatam will be followed hereafter.

3. In reference to the discontinuance of 15 Rupees to the Collectorate Apothecary for superintending vaccination, the Commissioners explain that the amount was allotted for bandy-hire of the Apothecary when visiting houses. Parents will not bring their children long distances to the Civil Dispensary for examination, neither will respectable people in the town so attend. The plan is one that is much appreciated by the people and tends to make vaccination less unpopular. To discontinue the allowance would, I am sure, affect the progress of vaccination, and I, therefore, beg that the Government will be so good as to re-consider the matter.

4. *Vizianagram.*—Here, too, the tolls are at half rates, as will be seen from the Vice-President's letters.

The item of "Fees on Registration Boards" is the price the Municipality charge for the registration boards they furnish to registered carts. These should, I think, be furnished by the Municipality gratis.

5. *Bimlipatam.*—At Bimlipatam the tolls were collected at half schedule rates. The instructions contained in paragraph 7 in reference to inspection grants and dispensary contributions will be duly attended to.

6. I also forward a letter from the Vice-President, dated 22nd May 1872, No. 27, explaining that the charge for lighting under Grant IV. is a mistake, and suggesting the transfer of the amount to Grant No. I., "Communications," as the amount was allotted for buying up huts in making roads.

No. 164. ORDER THEREON, 20th July 1872, No. 961.

It appears now, as the Governor in Council surmised, that the tolls are levied at only half the schedule rates in the Vizagapatam, Vizianagram, and Bimlipatam Municipalities.

2. Under the explanation submitted by the President, the Government sanction the special allowance of Rupees 15 to the Apothecary.

3. The transfer of the charge for "lighting" from Grant IV. to Grant I., Communications, is approved.

Sir,

With reference to the point laid before the Commissioners at last meeting regarding the sum of Rupees 15 per month allowed Mr. Lears the Collectorate Apothecary for the purpose of defraying his Conveyance hire in proceeding to the distant parts of the Municipality to test the operations of the Municipal vaccinators, the parties not consenting to bring their children either to the Apothecary's house or the Civil Dispensary, which allowance Rupees 15. was struck out by Govt. from the Budget of 1872-73. I am directed by the Board to request you will be pleased to address Government on the subject with a view to the allowance being permitted to be disbursed to the apothecary who has to proceed very often even to a distance of

of 3 or 4 miles on this work

I am Government Order
No 506 of 19 April reviewing our
Budget estimates for this year there is
an amount entered for "Lighting"
Rs 960 — this is an misapprehension — I
have the honor to beg reference to my letter
of 30th October and 13th December on
the former this matter as all plans and maps
&c of this are lying upon tents in
the Custom's Godown and that we have only
little boys in which to prepare Estimates
according to the new Forms, and for
mistake the lighting upon streets was to be
stated under Ground IV "Miscellaneous
Municipal purposes" whereas it should
probably have been shown in Ground I
as "Conservancy"

2 We have never considered it
as pertaining to appropriate money towards
"lighting" this Town

The President Municipal Commissioners
Vizianagram & Vizagapatam.

Sirs

With reference to Paragraph 5 of G.O.
dated 19th April 1872. No 580. I have the honor to
report that the amount of Rs 700 placed in the Estimate
under the head of Tolls, was calculated at only half
the schedule rate, and was accordingly framed out for
1872-73 after the Budget for the same was forwarded.
and the amount realized at the rate by auction of the
Tolls at the schedule rates is Rs 1,200 or 500 Rs. more than
the Estimate. This increase is attributable to the
greater number of carts coming into the Town with
grain and salt &c. on account of the increase of the
prices at this station, owing to the scarcity produce
of the crops for the last year.

2. Fees on Registration Boards Rs 50-- mean the
amount of fees at 2 annas the price of the registration
board, with municipal Commission and number painted
on it, to mark the board on every cart, for every half
year, as a sign that it has been registered, agreeable
ably to Sections 74 and 75 of the municipal act.

3. No other fees on Licences are enacted, except fees
on Licence warrants at the rate mentioned in Schedule
A.

4. The only measures adopted for Elementary
Education is the payment by results system.
Rs 460-12-- were passed by the Director of Public
Instruction for 1871-72, on results grants for 9 primary
schools

schools in Town, of which only Rs 292-- was paid, as Rs 108-12-- of this grant was defrayed by H. H. The Maharaja of Vizianagram, who was good enough to relieve the municipal Commissioners from that portion. And with reference to President's Circular No 252 dated 4th April 1872, a sum of Rs 203-4-- is to remain to be paid from the municipal Ground for Industrial Inspectorate.

5. The other schools, viz. English High School, English Primary school, Boarding Caste Girl school, Sanscrit and Veda College, Telugu Common girl school and village school are all Totally maintained by H. H. The Maharaja of Vizianagram, and no grant in that will be required for any of them from the municipality Vizianagram.
