From the President of the Local Fund Board, Nellore, to the Secretary to the Board of Revenue, dated Nellore, 24th June 1872, No. 314:—

With reference to Board's Proceedings, Miscellaneous No. 4336, dated 18th June 1872, I have the honour to enclose, for information, a copy of Resolution, No. 103 of 1872, of the Local Fund Board of Nellore, and to request that, under the circumstances therein set forth and with reference to my former letters on the subject, the Government may be requested to confirm Mr. Nipps' appointment provisionally on the report to be made on his competence to perform the duties required of him by the Deputy Inspector-General on his next official inspection of the Ongole Dispensary.

2. Early orders on the subject are solicited, as Mr. Nipps, who was ordered to join at once, reports that he is unable to assume charge of the Dispensary from the Hospital Assistant now there, who, acting under the orders of the Zillah Surgeon of Nellore, refuses to give over charge without a departmental order.

G. O., No. 878, of 6th July 1872, disposed of the Nellore Local Funds' letter of 27th May 1872 and sanctioned their entertainment of Pensioned 1st Class Hospital Assistant Mr. L. Nipps.

2. I have avoided addressing Government on the appointment of that pensioned Hospital Assistant until all the necessary information might be before me; but I have now the honour to report that on the 25th May that Local Fund Board intimated that appointment to me, and, in reply, on the 7th June I addressed a communication, of which I beg to subjoin a copy. I have not as yet received any acknowledgment of my letter, and I would, therefore, now submit to His Excellency the Governor in Council that in the course followed by the Local Fund Board in making that appointment the orders in paragraph 4 of the Local Fund Rules were not given effect to; that 2nd Class Hospital Assistant Syed Nizam-ud-Deen, the Medical Officer who was already, and still is, there, posted to the Police and Civil Dispensary, is a well-qualified medical man, who need not have been set aside by the appointment of Mr. L. Nipps, who was pensioned ten years ago as worn out, debilitated, with beriberi and impaired vision. Mr. J. A. Fox.
M. R. Ry. Bodireddi Ramireddi.—Nellore.

Read also President's letter No. 230 of 25th May 1872, to the Board of Revenue on this subject.

Confirmed. The Board approve of the steps taken by the President to obtain an allotment for the survey of these roads.

96. Read letter No. 177 dated 6th June 1872, from the Officer in charge of the Centre Range requesting to move the Board of Revenue to grant funds for the road from Bogole to Chinnakraka.

Recorded. This road is included in the list of works to be submitted to the Board of Revenue for sanction of allotments in the current year.

97. Read letter No. 160 of 27th May 1872, from the Officer in charge of the Western Range forwarding an estimate for Rs. 235; and plan for a paved footpath from the village of Tatiparti to the Lodum vagu

Estimate sanctioned for execution by Department Public Works.

98. Read Proceedings of the Board of Revenue Nos. 773 and 803, of 14th and 20th May 1872, respectively, submitting to Government for sanction, estimates for Rs. 29,080, and 13,900, for the roads from (1) Bogole on Great Northern Road to Chinnakraka on the road from Kavali to Udayagiri, and (2) from Narrainreddipett, on the Nellore and Mypaud road to Indukurpett.

Recorded, both these roads have been included in the list to be submitted to the Board of Revenue for sanction.

99. Read Proceedings of the Revenue Board, Miscellaneous No. 2,749, of 15th April 1872, returning with remarks plans and estimates amounting to Rs. 40,000 for the construction of a road from Naidupett to Venkatagiri.

The estimates will be re-transmitted to the Board of Revenue, with the list of works for which allotments have now been made by the Local Fund Board.

100. Read Proceedings of the Board of Revenue No. 801, dated 20th May 1872, forwarding with remarks Local Fund Budget of Nellore Circle for 1872-73.

Read also lists of Incomplete and other works laid before the Board by the President.

Read also statement of Funds for 1872-73.

The Board observe that of the 20 new works entered in the original Budget, 10 have been excluded from the Budget by Government, and a lump sum of Rs. 26,140, provided for "unsanctioned works."

	RS.	A.	P.
From the Statement of funds now before the Board it appears that the actual balance on 31st March 1872, under Road Fund was	48,317	0	0
And that further assets can be safely calculated on as follows:—			
Expected receipts for 1872 73...	2,44,030	0	0
Further collections of arrears for 1871-72	66,000	0	0
Making in all a total of	3,58,347	0	0
Deduct from this, the expenditure proposed in the budget for 1872-73, viz.....	3,21,970	0	0
And the balance for disposal would be.....	36,377	0	0
	14,000	0	0
Of this, Rs. 14,000 must be transferred to General Fund of which the balance is not adequate to requirements. The unappropriated balance under Road Fund would then be..	22,377	0	0
To this must be added the lump sum sanctioned in the Budget for unsanctioned works	26,140	0	0
And the unappropriated balance under Reserve.....	16,560	0	0
The total amount available under Road Fund would therefore be..	65,077	0	0
Or in round numbers.....	65,000	0	0

Of this sum, the Local Fund Board resolve to allot Rs. 32,000, as per particulars given in the list before them, for Incomplete works, and to request the sanction for allotment of the undermentioned sums for the undermentioned 7 roads, several of which were omitted from the Budget

Nos. 4 to 7 are new roads, Estimates and plans for Nos. 4 and 6 have been already sent up by the Range Officer to the Superintending Engineer, and Estimates and plans for Nos. 5 and 7, the Range Officer some days ago informed the President, would be sent up in a week. They are all important roads and it is desirable that the allotments proposed should be granted, to allow of their commencement this year.

101. Read letter No. 66 dated 4th May 1872, from the Officiating Deputy Collector enclosing two petitions from the inhabitants of Karedu in the Kandukur Taluq, requesting to take speedy measures to remove prickly-pear from their village, and also to have a road formed between the village and the Northern Trunk Road.

Rs. 150 are sanctioned for the removal of prickly-pear, provided the Tahsildar can arrange to have all the prickly-pear removed from both private and public land. The Range Officer will be called on for an Estimate for the road in question.

102. Resolved that as so many Unions have now been established, and the scheme for their general establishment throughout the District is so far advanced, the Board consider that no further time should be lost in establishing a training School in the district for Masters for these Schools. The Board observe that the Director of Public Instruction was called upon in paragraph 7 of Proceedings of Government, No. 563 of 28th April 1871, to report upon the general subject, but they are not aware what action has been since taken.

The President is requested to move the Government on this subject, which the Board consider to be of pressing importance to the educational interests of this district.

103. Read letter No. 3,644 of 7th June 1872, from the Inspector General, Indian Medical Department, refusing his assent to the appointment of Mr. L. Nipps to the medical charge of the Ongole Dispensary.

The Local Fund Board asked for the services of Mr. Hawkes an Assistant Apothecary of 27 or 28 years of age, and therefore of considerable experience, to whom they were willing to pay Rs. 150.—Government had no sooner sanctioned this appointment than the Inspector General wrote to say that Mr. Hawkes would not come, but that he (the Inspector General) had taken upon himself to bestow the appointment, at the same pay, on a young man of 28 whom he had ordered to proceed at once to join. The Inspector General passed a remarkable eulogy on this young man, but entirely omitted to inform the Local Fund Board that he had been dismissed the service by sentence of a court martial not later than in December last.—The Government then took up the matter, and, in the midst of the delay thus occasioned, Mr. Nipps, a pensioned 1st Dresser, returned to Nellore with excellent testimonials from the Irrigation and Canal Company, Kurnool and Cuddapah, in whose employ he had been in independent medical charge for the last five years on Rs. 60 per mensem. When in the Service of Government Mr. Nipps was well known in this District. He was acquainted with the people and their language, and the Local Fund Board, in consideration of these circumstances and of Mr. Nipps' experience, were of opinion that they might easily go farther, at much greater expense, and fare worse than by putting Mr. Nipps in charge of the Ongole Dispensary at the same salary that the Irrigation and Canal Company had found him worth. They accordingly to save further delay appointed him and ordered him to join, which he did on the 7th instant. The Inspector General in the letter under consideration quotes public records in his Office to prove that Mr Nipps, when pensioned ten years ago was quite used up and useless, and, pointing out that under Rule 4, he should have been consulted as to the appointment, refuses his assent thereto. To this the Local Fund Board would observe that Mr. Nipps, is to be congratulated on his wonderful recovery of health and energy within the past ten years, he being now to all appearance a remarkably young looking and brisk person for his age—55—and under all the circumstances they determine to authorize the President in communicating these Proceedings to the Government, to request the Government to confirm Mr. Nipps' appointment provisionally on the report to be made on his competence to perform the duties of the same, by the Deputy Inspector General on his next official inspection of the Ongole Dispensary. Should Mr. Nipps be then pronounced to be decidedly unfit for the post the Local Fund Board will by no means desire to retain his services.

Under any circumstances they do not wish the Ongole Dispensary, isolated as the place is, to be entrusted to so young a man as the Inspector General's nominee.

104. Read letter No. 38, dated 30th May 1872, from the Deputy Inspector of Schools Ongole, requesting to be informed of the Budget provision for results' grants for 1872-73, and of the portion thereof available for his division.

Ordered to lie over in order that the opinion of the Deputy Inspector of Schools, Nellore Division, be taken.

105. Read letter No. 1217, dated 7th June 1872, from the Acting Director of Public Instruction enquiring whether the Local Fund Board Nellore, consider it desirable to increase the pay of Kotayya Chetti, Deputy Inspector of Schools, and forwarding a strong recommendation to that effect from the Acting Inspector of Schools.

Proposed by the President and carried unanimously, that Kotayya's pay should in recognition of his past good service be increased from 1st April last from Rs. 125 to Rs 150, and that, as but a fair incentive to continued cheerful exertions in the cause of education on the part of a man of Kotayya's service and merits, it should be annually increased by Rs. 10 till it reaches a maximum of Rs. 250, which is the highest pay of a Tahsildar and the lowest of a Deputy Collector.

The Director will be informed accordingly.

106. Read letter No. 4, dated 10th June 1872 from the Commissioners of the Anglo-Vernacular Union School at Buchireddipallem asking for an increased grant for the erection of a School-house.

No further grant can be sanctioned in the present year. The question of providing a better permanent building will be considered hereafter.

107. Read letter No. 30 of 7th June 1872, from the Vice-President, Municipal Commission Nellore, applying for the Rs. 1,000 promised by the Local Fund Board as a grant in aid of the maintenance of Municipal Schools.

Sanctioned, subject to the approval of Government.

108. Read letter No 41 of 14th June 1872, from the Vice President Municipal Commission Nellore, requesting to know with reference to Government Order No. 575 dated 29th April 1872, if the Local Fund Board require a contribution of Rs. 150 towards the cost of Educational Inspection, from the Municipality.

Resolved to inform the Municipal Commissioners that the amount will not be required.

109. Read letters Nos. 77 and 81, dated 29th May and 5th June 1872, respectively, from the Officiating Deputy Collector of Nellore, on the subject of forming Educational Unions at Gungapatnam and Koratur, villages in the Nellore Taluq.

Resolved that the undermentioned villages be comprized in the Unions as below, and that their limits be submitted to Government for sanction.

Approved, true copy will be submitted to the Board of Revenue as required in para 12 of G. O. No. 563 of 28th April 1871.

112. Read Deputy Inspector's report on the progress of education in the Nellore District.

Recorded.

113. Read letter No. 67, dated 13th June 1872, from the Wood Overseer South Pennair, reporting on the state of the choultry offered for sale to the Local Fund Board.

As it appears from the report that there are three other choultries near the choultry in question the petitioner's offer is declined.

114 Read letter No. 23 of 2nd June, 1872, from the Rajah of Venkatagiri, making over to the Local Fund Board the building occupied by the School at Venkatagiri.

Proposed by the Pesident and carried unanimously, that a vote of thanks be passed to the Rajah for his liberality.
