No. 180. Read the following letter from the President of the Municipal Commission, Srirungum, to the Acting Chief Secretary to Government, Fort St. George, dated Srirungum, 11th July 1872, No. 20:—

With reference to the accompanying extract from the Proceedings of the Municipal Commissioners for the Town of Srirungum at the Meeting held on the 9th instant, I have the honour to request that the Government will sanction the exemption of vehicles, animals, and carts from taxation during the current official year 1872-73.

Paragraph 3. Read Proceedings of Government, No. 84, dated 17th January last, communicating their views on certain suggestions made by the President in view to the owners of vehicles and animals licensed in the Town of Srirangam being relieved from payment of toll on entering the limits of the Trichinopoly District. Looking to the fact of the vehicles, &c., in the town having almost daily to cross the toll-gate of the Trichinopoly Municipality at the Cavery Bridge, and to the general discontent on the part of their owners, and real hardship to them at their having to pay both license and registration fees to their own Municipality and tolls to the adjacent town, the Commissioners resolve to propose, for the sanction of Government, that the tax on vehicles, animals, and carts shall not be levied in the town for the present. Pending the settlement of this long-standing question, the tax was not levied for the last year. The Commissioners are about to propose to the Trichinopoly Municipal Commissioners that persons living in Srirungum should be allowed to compound for the tolls at the rate of tax levied by the Trichinopoly Municipality on vehicles and animals kept within their limits; if the Trichinopoly Municipality agree to this proposal, the tax will be imposed from the commencement of the next official year.
