Proceedings of the Madras Government, Financial Department,
25th July 1872.

Read the following papers:—

No. 186. From the President of the Municipal Commission, Srirungum, to the Acting Chief Secretary to Government, Fort St. George, dated Trichinopoly, 13th March 1872, No. 3.

The Commissioners for the Town of Srirungum propose that the village of Mailoor, which, as the Government will perceive on a reference to the plan submitted to them with my letter as per margin, is situated in its immediate neighbourhood on the western side, should be included within the Municipality, inasmuch as the village in question is, like all other villages already included within the municipal limits, not only thronged during the festivals, but its vicinity to Srirungum has on sanitary grounds great influence on the public health of that town, I have accordingly the honour to request the requisite sanction of Government to the proposed annexation.

Dated 1st June 1871, No. 28.

2. The annual income from the village in question will probably not exceed 400 Rupees under rates on houses, buildings, and lands, according to the annual value thereof, and this seems to be the only source of income derivable by annexing this village to the Municipality, while the whole of this sum will doubtless be absorbed in its sanitation.

3. The existing northern, eastern, and southern boundaries are not affected by this change; the western boundary of the Municipality only will be in future the head-sluice of the Nadukarrai Naut Voikal.

No. 187. From the President of the Municipal Commission, Srirungum, to the Acting Chief Secretary to Government, Fort St. George, dated Srirungum, 11th July 1872, No. 17.

Adverting to your Under Secretary's Official Memorandum, No. 123, dated the 16th April last, I have the honour to forward the accompanying plan of the Srirungum Municipality with the new western boundary marked thereon by a red line.

2. The new western boundary forms, as the Government will perceive from the annexed extract from the Proceedings of the Commissioners dated the 4th ultimo, the limits of the Tanjore District.

EXTRACT from the Proceedings of the Municipal Commissioners for the Town of Srirungum at a Meeting held on the 4th June 1872.

* * * *

Paragraph 6. Read Memorandum from Under Secretary to Government, No. 123, of 16th April last, forwarding the plan of the town, and requesting that it may be re-submitted with the new western boundary marked thereon, and with a more specific description of the new boundary.

Resolved that the new western boundary be described as the limits of the Tanjore District instead of the head-sluice of the Nadukarai Naut Voikal Channel as originally proposed, and that the same be duly marked on the plan in red as required by Government.
