Proceedings of the Madras Government, Financial Department,
26th July 1872.

No. 198. Read the following letter from the President of the Municipal Commission, Tanjore, to the Chief Secretary to Government, Fort St. George, dated Negapatam, 16th July 1872, No. 173 :—

With reference to paragraph 3 of the Order of Government, dated 29th May 1872, No. 707, I have the honour to report that the two probationers proposed to be employed in connexion with the Municipal Dispensary will receive their training from the Zillah Surgeon in charge of the Raj Hospital at Tanjore.

2. The stables and coach-house, referred to in the same paragraph of the Government Order, are private stables and coach-houses, the Municipality not having any of their own. The pygust is intended to examine all stables and coach-houses, and see if proper licenses have been taken out by the owners for the carriages and animals. Last year a peon was specially deputed for this duty, and the result was an increase of Rupees 250 in the amount of license fees. The pygust will have, in addition to this work, to watch the proceedings of the toll contractors, and to report to the Commissioners any instances of irregularity that may come to his notice.
