No. 202. Read the following letter from the Inspector-General, Indian Medical Department, to the Chief Secretary to Government, Fort St. George, dated Fort St. George, 8th July 1872, No. 218:—

I have the honour to report to His Excellency the Governor in Council that the Rev. Dr. Chester, Dindigul, has applied for the services of a 1st Class Hospital Assistant to be employed in his dispensary there, and, should Government see fit to sanction the request, I shall be prepared to place a subordinate of the grade specified at his disposal.

2. The Rev. Dr. Chester proposes to meet the charge for the pay of the Hospital Assistant, Rupees 60 per mensem, by appropriating a portion of the grant made to him from the Local and Municipal Funds, to which there is no objection. But, with reference to Resolution of the Government of India, No. 4359, of 14th October 1871, as the dispensary is still a private institution, it may be necessary to require the Rev. Dr. Chester to enter into some further arrangement.

3. The dispensary at Bimlipatam, which is similarly situated to that of the Rev. Dr. Chester's as regards a subsidy from Municipal Funds and its being a private institution, was by the marginal order granted the services of an Apothecary of the Madras Establishment, but that posting took place long anterior to the date of the Resolution of the 14th October 1871 above mentioned.

P. M. G., No. 337, dated 24th March 1863, Public Department.

P. Vadakunnu Pillai, 1st Class Hospital Assistant, at present employed in the Acting Sub-Collector's office and division, I respectfully request that you will pass the requisite orders to transfer him to the Dindigul Dispensary.

2. I pledge my word that I will each month reserve from the grant made to the Dindigul Dispensary, and referred to above, the sum of 60 Rupees to meet the salary of a 1st Class Hospital Assistant.

No. 203. ORDER THEREON, 26th July 1872, No. 987.
