No. 207. Read the following Proceedings of the Board of Revenue, dated 9th July 1872, No. 4754 (Miscellaneous):—

Read the following letter from the Acting President of the Local Fund Board, Madura, to the Secretary to the Board of Revenue, dated Pereacolum, 22nd June 1872, No. 183:—

By desire of the Local Fund Board, Madura Circle, I have the honour to submit a letter addressed to me by the Zillah Surgeon, dated 12th June 1872, No. 93.

2. Excluding the dispensary at Ramnad, which is under the charge of a Native Surgeon, the Local Fund Boards in this district have established three dispensaries under medical subordinates, and, from the number of patients already under treatment, it is probable that more of these institutions will be established hereafter. It seems to the Local Fund Board very desirable that these institutions should be inspected from time to time by the Zillah Surgeon, the expenses of such inspections being defrayed from Local Funds. The Zillah Surgeon's proposal to visit the dispensaries, coupled with a request for remuneration in addition to the usual travelling allowances, is, therefore, submitted for the orders of Government.

From the Zillah Surgeon, Madura, to the Acting Collector of Madura, dated Madura, 12th June 1872, No. 93.

In compliance with your letter, No. 1061, of 3rd June, I have the honour to return, herewith, indent for medicines for the dispensary at Shevangungah, having filled in the quantity of each article which I think it advisable should be supplied, judging from last year's expenditure and the quantity remaining in store.

2. Without visiting and understanding the working of the dispensaries established out of the Local Funds, I could, as you remark, exercise no effectual supervision over them in expenditure or anything else. If it is the wish of the Local Fund Boards that I should check the expenditure and have a general supervision over these dispensaries, I shall be happy to do so, and visit each once or twice a year if the sanction of Government be obtained, but at the same time I should expect that some remuneration be given me as well as the usual travelling allowances.

Submitted for the orders of Government.

2. The Board think that a general rule should be laid down as to the number of times in a year when dispensaries should be inspected by Zillah Surgeons, and as to the allowances to be paid them on such occasions.
