Proceedings of the Madras Government, Financial Department,
29th July 1872.

No. 215. Read the following Proceedings of the Board of Revenue, dated 6th July 1872, No. 4685 (Miscellaneous):—

Read the following letter from the Acting Collector of Madura, to the Secretary to the Board of Revenue, dated Periacolum, 22nd June 1872, No. 182:—

I have the honour to submit copy of a letter from the Superintending Engineer, dated 19th June, No. 1218, requesting that the buildings adjoining Tiroomal Naick's Palace, which were ordered to be removed in G. O., 11th January 1872, No. 69, may be purchased as soon as possible.

2. These buildings were to be paid for out of the price of the Collector's Cutcherry, but it seems unlikely that the Cutcherry can be sold on the conditions laid down by Government.

3. The enclosed statement shows the extent and valuation of the houses to be purchased, and the owners, after much discussion, promised to accept Rupees 3,200, the sum estimated by the Tahsildar. Of this we shall recover about Rupees 850 by sale of materials.

4. I request the sanction of Government for the payment of Rupees 3,200 out of the proceeds of the old Head Assistant's Cutcherry if the sale thereof be sanctioned, as requested in my letter dated 30th March 1872, No. 87.

From the Superintending Engineer, 8th Division, to the Collector of Madura, dated Madura, 19th June 1872, No. 1218.

I have the honour to request the favour of an early reply to my letter, No. 954, dated the 3rd instant, inquiring what arrangements have been made by you for acquiring, as ordered by the Government in G. O., 11th January 1872, No. 69, a certain house near the Tiroomal Naick's Palace at Madura.

2. Most important work has to be carried out in connexion with the stability of that portion of the palace allotted to the Collector, but this cannot be commenced upon until possession is obtained of at least the yard attached to the premises in question. As the matter is very urgent, and, as I feel satisfied that there can be no difficulty in finding the necessary funds for the purchase of the building under reference, I trust that you will excuse my troubling you again in the matter, and my requesting the favour of your putting me, at as early a date as possible, in possession of the premises above mentioned.

3. I may mention, in conclusion, with reference to your letter, No. 602, dated 30th March, and received 4th April 1872, that the temporary Range Office in the palace will be completed in a few days, and that the purchaser of the old Range Office, Venkatasawmy Naidoo, may take possession of that building on the 1st proximo.

Submitted for the orders of Government.
