Proceedings of the Madras Government, Financial Department,
4th January 1873.

No. 1. Read the following letter from the Officiating District Engineer, South Arcot, to the Secretary to Government, Public Works Department, Fort St. George, dated Cuddalore, 17th December 1872, No. 4 :—

With reference to G. O., No. 709, of the 5th March 1870, I have the honour to bring to the notice of Government that the Collector has, in his letters of the 16th April and 14th December 1872, desired me to proceed with the construction of the dead-house in connexion with the dispensary at Munjacoopum, for which an estimate of Rupees 685 was sanctioned in the Government Order.

2. It would appear that the amount has been sanctioned from the Provincial Funds in G. O., No. 433, of the 5th April 1872, in the Financial Department, but this Order was not communicated to this Department, nor has the amount been placed at the disposal of the District Engineer.

3. I have, therefore, the honour to request to be informed whether it is necessary that the amount of the estimate should be placed at my disposal before I can undertake the execution of the work in question.

Transferred to the Financial Department. The Order in that Department of 5th April has not been communicated to the Public Works Department.

2. Meanwhile the District Engineer will undertake the work.
