Proceedings of the Madras Government, Financial Department,
4th January 1873.

No. 5. Read the following letter from the President of the Municipal Commission, Tinnevelly, to the Chief Secretary to Government, Fort St. George, dated Tinnevelly, 9th December 1872, No. 265 :—

I have the honour to forward the explanation called for in paragraph 6 of Government Proceedings, No. 1389, dated 10th October 1872, relative to the charge of conveying a lunatic to Madras being debited to municipal funds.

From the Vice-President of the Municipal Commission, Palamcottah, to the President of the Municipal Commission, Palamcottah, dated Palamcottah, 6th December 1872, No. 133.

With reference to the inquiry contained in paragraph 6 of the Proceedings of Government, dated the 10th October 1872, No. 1389, regarding the circumstances under which a lunatic was conveyed to Madras at the cost of this Municipality, I have the honour to submit the following explanation.

2. The man had been an inmate of the Lungerkhana for 2¾ years, and was blind, deaf and dumb, and a cripple. No friends would take charge of him, and, as he was a great nuisance to the in-patients of the dispensary from the howls he used to set up at unseasonable hours of the night and throughout the day as well, the Deputy Inspectors-General, at their annual inspections, repeatedly advocated his removal to Madras.

3. When the Civil Dispensary was handed over to the Commissioners, they resolved to forward the poor creature to the Asylum in Madras, and, as he had been hitherto maintained from the funds of the Lungerkhana, they considered that the cost of forwarding him should also be borne from the same funds, and charged the cost accordingly.
