Proceedings of the Madras Government, Financial Department,

4th January 1873.

No. 10. Read the following letter from the President of the Municipal Commission, Cocanada, to the Chief Secretary to Government, Fort St. George, dated Cocanada, 10th December 1872, No. 17:—

There is an old coal-shed in Jagannaikpuram which belongs to the Marine Department. It is close to the Cocanada Civil Dispensary, and is just in the place where a few wards could be built for patients suffering from infectious or contagious diseases.

2. The Marine Department have offered to sell it to the Municipal Commission, but the Commission do not wish to buy it; they think that Government might give them the building for nothing. It is at present of no use to Government; and, as it will require a considerable sum to be spent on it if it is to be converted into a part of the hospital, the Commissioners do not think they ought to spend any more money on it.

3. I, therefore, have the honour to request that Government will make over the shed to the Commission. It is the same referred to in the Order of Government, No. 173, dated 16th February 1871. It appears that the materials have not been sold, and, for some reason or other, nothing seems to have been done on the Order of Government.

No. 11. ORDER THEREON, 4th January 1873, No. 5.

Under the circumstances stated, the Governor in Council is pleased to sanction the transfer of the coal-shed in question to the Cocanada Municipality on the understanding that it is to be converted at municipal expense into a hospital ward.
