Proceedings of the Madras Government, Financial Department,
21st July 1873.

No. 147. Read the following Proceedings of the Board of Revenue, dated 9th July 1873, No. 4277 (Miscellaneous) :—

Read the following letter from J. R. COCKERELL, Esq., President of the Neilgherry Local Fund Board, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Ootacamund, 13th June 1873, No. 10 :—

In reply to G. O., 1st April 1873, No. 430, Financial Department, desiring, with reference to a special grant of Rupees 270 made by Government on the representation of the Rev. Mr. Metz, through the Local Fund Board of this Circle, for sanitation this year in the Neilgherry villages, to be informed whether it is true that last year several villages were decimated by disease, as Mr. Metz writes, I have the honour to state that the words in Mr. Metz's letter printed in the Proceedings "by which many Neilgherry villages were decimated" imply, not that the decimation occurred last year, but that in the course of a long series of years, during which Mr. Metz has known the Neilgherry District, the villages have been decimated.

2. Last year a fever epidemic occurred in one village, but the deaths in the district were only slightly above the average, having been 17·45 per mille against 17·053 per mille in 1871-72.

Submitted to Government, with reference to G. O., 1st April 1873, No. 430.

To The Honorable the Collector
Chief Secretary to Govt:

Sir,

I have the honour to forward the petitions of 1356 of 1873, written by D. Ramakrishnaya, complaining that the entire name of the village, viz. "Elavu" is not given in the list, and praying that the village may be entered in the list, as they would have been put to great inconvenience if the mistake was corrected hereafter by me; but the true name

Petition of inhabitants of Elavu village, Gedemoy District, praying that the entire name of the village may be entered in the list.

Read the report of the Collector of Gedemoy, dated 16th July 1873, No. 20, forwarding a petition of inhabitants of Elavu village, Gedemoy District, praying that the entire name of the village may be entered in the list.

Ordered that the petition be returned to the Collector with instructions to cause the name of the village to be entered in the list as prayed for.

done so, and hence all this time have been a Local Fund Board.

3. Should Council know the "Gazette" has come to be applied to names in English. It seems only to occur in the Proceedings of Local Fund Boards and Municipal Commissions. In other places, rather Tahsildars or Deputy Collectors have the office.

4. I will give orders that C. Venkatapathiengar shall be addressed in any way he wishes, so long as he keeps to such harmless addition to his name as "Garu"

5. Should Krishtappa prefer to call himself "Markhamadar", because I do not know except from himself whether he is one, and it is highly probable if he has any claims to be considered one, there are other people who contest his claims, so it is much better to steer clear of their quarrels, and refer the one party by calling him Markhamadar.

Thank the Commissioner,

Yours Obediently
