No. 182. Read the following letter from H. E. SULLIVAN, Esq., Acting Collector of South Arcot, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Cuddalore, 3rd July 1873, No. 42 :—

As directed in paragraph 2 of G. O., dated 25th March, No. 399, Financial Department, I have the honour to submit a detailed estimate of receipts and expenditure, in the town of Chellumbrum, for the half-year ending 30th March 1874, and request that the necessary sanction may be accorded for the levy of the following rates and taxes :—

Rates on houses, buildings, and lands, under Section 40, at five per cent. on the estimated annual rental.

Taxes on vehicles and animals, under Section 64, at the rates specified in Schedule C.

Registration of carts, under Section 74, at a fee of one Rupee for the half-year.

2. No provision has been made for the maintenance of the dispensary in the accompanying estimates, because this has been provided for in the Local Fund Budget of the Circle up to the end of the current year, and it would create confusion to disturb this arrangement.

3. As no funds will be available for the first two or three months, I would ask Government to make an advance of Rupees 2,000, to be repaid as collections are realized.

No. 183. ORDER THEREON, 24th July 1873, No. 1057.

as per margin of receipts and disbursements during the 2nd half of the current year in the town of Chellumbrum to which the Municipal Act has been extended with effect from the 1st October next

The

The Government agree with the President in his opinion that the Municipality need not be called on to contribute to the Dispensary until after the expiry of the current year, but they would recommend the appointment of a Vaccinator to commence operations in the town, as soon as the Act comes into force.

The allotment for Supervision and Management is more than 20 per cent of the gross estimated receipts. This is unnecessarily high and must be reduced.

Subject to the above remarks the budget is sanctioned and

the President wants Rs2000 to go on with pending collections. It is presumed that an advance of this kind is not of the nature of a formal loan requiring the sanction of the Govt of India

and the usual Notification will be published in the Fort St. George Gazette. The Collector will make the advance required, taking care that the amount is adjusted within the year.
