Proceedings of the Madras Government, Financial Department,
30th July 1873.

No. 215. Read the following letter from H. E. SULLIVAN, Esq., Acting Collector of South Arcot, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Tindevanum, 18th July 1873, No. 45:—

I have the honour to submit copy of a letter from the District Engineer, transmitting an estimate, amounting to Rupees 2,250, for the repairs of the Government building at Munjacoopum assigned to the Special Agent as a residence under paragraph 6 of the Proceedings of Government, Revenue Department, dated 15th May 1871, No. 85, and, as the balance of the Budget allotment for repairs to civil buildings is insufficient to meet the charge, to request that the Government will be pleased to make a special grant for the purpose.

2. It will be seen that the last repairs were executed in 1872-73. These were of a petty nature, and only cost Rupees 146. The building was severely tested by the storms in May and November last year; and in the latter month the roof of a portion of the offices fell in, one of my servants narrowly escaping being buried in the ruins. A thorough examination of the main building, which leaked considerably during the last monsoon, showed that a great portion of the terraced roof required relaying. The repairs are absolutely necessary, not only for the comfort of the occupant, but also for the preservation of the building, and I trust that early sanction may be accorded in view to their being executed before the north-east monsoon sets in.

No. 216. ORDER THEREON, 30th July 1873, No. 1074.

The proposed work is sanctioned.

2. It will be considered in the Department of Public Works whether funds can be provided without a special grant.
