No. 223. Proceedings of the Board of Revenue, dated 10th July 1873, No. 4291 (Miscellaneous).

Read again Board's Proceedings, dated 20th May 1873, No. 3047 (Miscellaneous).

Read the following letter from G. D. LEMAN, Esq., Acting Collector of the Kistna District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Masulipatam, 30th April 1873, No. 665 :—

I have the honour to request, on behalf of the Municipal Commissioners, Guntoor, that the Soldiers' Shed compound, a small enclosed piece of ground just off the main street in Guntoor, may be made over to them as a cattle-pound, and that the shed attached to it may be made over to me for a Village Munsif's Cutcherry.

2. The site of the present pound is condemned. It is a piece of vacant ground in the row of huts making the bazaar street ; is therefore judged to be badly situate on sanitary grounds, and is difficult of access as the gates open in the crowded main street.

3. It would be impossible to secure any other eligible site in the town without having recourse to the Land Acquisition Act.

4. The small building will be very useful for the Village Munsif who has no Cutcherry, and is conveniently situate as he has the supervision of the pound. It has not been used by European Soldiers for a long time, and I suppose never will be again.

5. I append a rough sketch of the place.

6. The Commissioners propose to sell the old pound site for building.

The Board do not understand how the old pound and its site belong to the Commissioners, or why the site for the new pound should be given to them.

2. Under Act I. of 1871 pounds are to be under the control of the Magistrate of the District, and it is only on special sanction that any portion of the proceeds can be given to the Commissioners.

3. The Collector will explain.

Read also the following letter from G. D. LEMAN, Esq., Acting Collector of the Kistna District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Masulipatam, 14th June 1873, No. 952 :—

In reply to the Board's Proceedings, No. 3047, dated 20th May 1873, I have the honour to express my regret that I should have made such a mistake, and to request that the Board will substitute the following for my letter quoted in the Proceedings.

2. The site of the pound in the Guntoor Town is very inconvenient ; it is an enclosure of a piece of ground in the row of huts that constitute the main bazaar street, and the entrance which opens into the main street is very difficult of access when the bazaar street is full of people, &c.

3. I would request that Government be moved to make over for the purposes of the pound the compound of the Soldiers' Shed and the shed itself for a Village Munsif's Cutcherry ; its entrance being in a bye street is far more accessible. The shed has not been used by soldiers for years, and it is hardly likely it will ever be again wanted for them.

4. The Village Munsif has a good deal of work in deciding small disputes and civil cases, and it will add to his importance if he has Cutcherry to sit in.

5. I propose to sell the old pound site and carry the money that may be realized to Pound Fund.

Submitted for the favourable consideration of Government.
