Proceedings of the Madras Government, Financial Department,
31*st July* 1873.

No. 230. Read the following Proceedings of the Board of Revenue, dated 18th July 1873, No. 1323:—

Read again Proceedings of the Board of Revenue, dated 10th February 1873, No. 820 (Miscellaneous).

Read the following letter from W. S. WHITESIDE, Esq., President of the Local Fund Boards, North Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Chittoor, 14th January 1873, No. 12:—

The Local Fund Board of the Chittoor Circle having sanctioned an increase to the pay of the peon of the Local Fund Board's Office and of the surgery cooly, and the entertainment of a peon and a female servant, as noted in the margin, for the Civil Dispensary at *Chittoor*, I have the honour to request that the Board of Revenue will be pleased to approve of and confirm these arrangements.

1. An increase of pay to the peon of the Local Fund Board's Office from Rupees 5 to 6.
2. An increase of pay to surgery cooly from Rupees 6 to 7.
3. Entertainment of a peon on Rupees 6.
4. Do. of a female servant on Rupees 3½.

The necessity for these arrangements should be explained.

Secretary.

Read also the following letter from H. SEWELL, Esq., Acting Collector of North Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Chittoor, 12th June 1873, No. 327:—

I HAVE the honour, with reference to the Proceedings of the Board dated 10th February last, No. 820 (Miscellaneous), to state that the arrangement referred to in this office letter of the 14th January last, No. 12, appertains, with one exception, viz., the increase of pay of the peon attached to the Local Fund Board's Office, to the Civil Dispensary at Tirupathi, and not to the Civil Dispensary at Chittoor, as stated, by mistake, in the letter above referred to.

2. The necessity for the arrangement was pointedly brought to the notice of the Circle Board by the Hospital Assistant in charge of the dispensary. He represented the urgent want of a peon for the disponsary, and forwarded a copy of paragraph 50, Section 3, Volume I., of the Medical Code, which runs thus: "A peon is allowed, at the expense of Government, for each Civil Dispensary. The duties of this servant are to keep order amongst the out-patients, to watch the building and property and to protect it from wilful damage, to deliver letters, &c., on the business of charity and such other works as the medical officer may employ him on."

3. A female servant was also represented to be very necessary, as a considerable proportion of those who resort to the dispensary for medical aid are females, and cases frequently occur in which the patients require one of their own sex to attend them.

4. It was proposed to increase the pay of the surgery cooly from Rupees 6 to 7, as the services of a more efficient man can be procured for this last-mentioned sum to perform the double duty of surgery cooly and compounder.

5. The increase of pay of the peon attached to the Circle Board's Office, from Rupees 5 to 6, was recommended on the consideration that the least sum paid to a taluq peon is not below the latter amount.

The Board resolve to recommend Government to sanction the increased cost of establishment proposed in the President's letter of the 14th January, No. 12, amounting to Rupees 11½ a-month.
