Proceedings of the Madras Government, Financial Department,
1st August 1873.

No. 1. Read the following letter from F. LUSHINGTON, Esq., Commissioner of Paper Currency, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Fort St. George, 25th July 1873, No. 356 :—

I have the honour to report that the Deputy Commissioner, Paper Currency, Cocanada, reports that he has neither cash-chests nor space in his present Treasury to hold the amount of currency reserve.

2. I have, accordingly, authorized him to have the necessary number of cash-chests made, and to take immediate steps for having further accommodation added to the Treasury.

3. I request that the Public Works Department may be instructed to execute the work with the least possible delay, as it is a matter of the very greatest importance that there should be ample space for the custody of the currency reserve. The circulation of this circle has now reached upwards of seventeen lakhs, and I have, under orders from the Head Commissioner, instructed the Deputy Commissioner to issue to Ganjam, Vizagapatam, and Kistna notes of the small denominations (Rupees 5, Rupees 10, Rupees 20) to the extent of one lakh worth to each district, against which he must hold silver.

No. 2. ORDER THEREON, 1st August 1873, No. 1083.

The necessary orders will be issued in the Department of Public Works.
