Proceedings of the Madras Government, Financial Department,
21*st January* 1873.

No. 133. Read the following letter from the President of the Municipal Commission, Cochin, to the Chief Secretary to Government, Fort St. George, dated Calicut, 14th January 1873, No. 40:—

I have the honour to submit, for sanction of Government, a supplementary estimate of expenditure proposed to be incurred in the Cochin Municipality.

2. The letter from the Vice-President on the subject is also enclosed.

3. The repair of the road in question seems most desirable.

From the Vice-President of the Municipal Commission, Cochin, to the President of the Municipal Commission, Cochin, dated Cochin, 30th December 1872, No. 94.

As the balance at the close of last official year was so large as Rupees 3,949-1-6, the Commissioners have resolved to spend the excess of Rupees 2,139-1-6 over the amount estimated on the permanent improvement of the Calvetty Canal Bank Road during the current year, for which no provision has been made in the original estimates. The want of this repair was much felt by the inhabitants, and the work is, therefore, being carried out; consequently, I have the honour to submit, herewith, a supplementary estimate, and to request you will be good enough to obtain the sanction of Government as early as possible.
