Submits that a portion of the establishment asked for for the Civil dispensary Chettoor is needed—

With reference to Govt. Order dated 1st Augt 1873 No 1101 W. 1352.

I do not understand the Case. Is there no Compounder, Watchman or Sweeper on the establishment? Are there—if any—in the Hospital to perform the work which has to be done. What is the average daily number of Sick in their Wards
