Dear Mr. Studdert

I received a letter from Dr. Cornish some little time back, asking me on the part of Mr. Chippenfield, if I would take the pictures of the Eye Infirmary from his hands.

My answer was then I did not know if I was to be his successor so I could not determine.

But whether I am to succeed or not, I know sufficient about them for me to venture to address you on the subject if you will excuse my troubling you.

I think Government should

per annum for wear and tear.

But during my incumbency of the Eye Infirmary I came up here (Ootty) with Lord Napier, and in my absence the D. P. W. repaired, painted & whitewashed, and in doing so covered with new material not only the punkahs belonging to Government, but the private punkahs included in the fix lines; so as I said above it would be impossible to remove the private property without injury to the Government property.

Poor D. Chippenfield's death affords a good opportunity of ending

My dear Mr. Huddleston

Sorry to carry out
your kind suggestions about the
Eye Infirmary fixtures. I.L. I
hope to make out and send in
a Bill although I write to Col.
Baldock and settles this pro-
-cess. Will the accompanying
form do? If so will you hand
the Kindness to make it to be
paid me. Yours sincerely

this anomaly. Rs 210/. would
purchase the whole thing, and I
am informed by those who know
the values of these things better than
I do, that twice the amount would
not put them up again.

Colonel Baldock is I am
receiving monies on Mrs Chippenfield
behalf. Believe me,

Yours sincerely
M.C. Tunnell.

Settled in Council. Thanks
