Proceedings of the Madras Government, Financial Department,
8th August 1873.

No. 40. Read the following letter from E. B. POWELL, Esq., M.A., C.S.I., Director of Public Instruction, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Madras, 19th July 1873, No. 1520:—

I have the honour to address you with reference to paragraph 7 of G. O., Financial Department, No. 492, of the 16th April last, in which my attention is called to the remark made by the Vice-President of the Gooty Municipality as to the difficulties in the way of inspecting schools in which education is imparted in Hindustani.

2. There are doubtless very considerable difficulties, but I do not see that any special plan for meeting the case can be laid down, as Hindustani classes or schools are sparsely spread over portions of the Presidency.

3. I consider the Inspectors and their Deputies must be left to manage the examination of Hindustani scholars in the best manner they can, using the agency of such persons as happen to be available. Hereafter, perhaps, a fee may be paid to a person who assists an Inspecting Officer in examining a Hindustani class; but for the present I think it advisable no order should be passed upon the subject.

No. 41. ORDER THEREON, 8th August 1873, No. 1119.
