Budget Department.

With reference to your docket on the accompanying Resolution of the Government of India in the Financial Department, No. 957, dated the 16th ultimo, I have the honour to state that, as reported in my letter, No. 163, dated the 30th idem, no specific provision was made in the Imperial Budget Estimate for 1873-74 on account of the charges referred to, they being included with other miscellaneous charges under Criminal, subordinate to Grant 17, Law and Justice.

2. A statement showing the actual expenditure incurred during the last two years on account of the charges under reference is herein enclosed; the actual expenditure having been, like the estimates, included always with other miscellaneous items under Criminal Courts; the details required had to be gathered from the District Treasury Accounts and as this would necessarily cause considerable delay if the statement had to embody the figures for four years, I have limited them to two years only in the hope that the information now given will sufficiently serve the purpose of Government.

No. 65. To the Secretary to the Government of India, Financial Department, dated Ootacamund, 13th August 1873, No. 1136.

Referring to the Resolution of the Government of India, dated the 16th June 1873, No. 957 (Accounts), I am directed to state that the charges for dieting prisoners while under trial or while confined for periods less than a month in Subsidiary Jails were not included in the Jail Estimates for 1870-71, as such charges were always met from the grant for miscellaneous items under "Criminal Courts," "Law and Justice."

Proceedings of the Madras Government, Financial Department,
13th August 1873.

2. The expenditure for the purpose during 1872-73 was Rupees 50,516, and as it has been decided to debit it in future to "Jails," Provincial, and the charge is more likely to increase than decrease, and any increase cannot be charged to Local Funds or met by local taxation, I am to request that an addition of Rupees may be made to the Provincial Assignments for 1873-74.

The Secretary to the Government

Financial Department.

Sir,

Referring to the Resolution of the Govt. of India dated the 16th June 1873 No. 957 (Accounts) I am directed to state that the charges for diet of prisoners while under trial or while confined for periods less than a month in Subsidiary Jails, were not included in the Jail Estimates for 1870-71, as always such charges were annually met from the Grant for Miscellaneous items under "Criminal Courts" "Law and Justice"

2. The expenditure for the purpose during 1872-73 was Rs. 50,516, and as it

it has been decided to debit it in future to "Jails" Provincial, I am to request that an addition of Rs 50,500 may be made to the Provincial Assignments for 1873-74.

R 55000.

& the charge is more likely to increase than decrease - and
