Financial Resolution, No. 4004, dated 7th November 1872, in which it was ruled that the absentee pay of an officer shall be charged to the general revenues of India, and the revenues of Mysore or the Berars, in the proportions in which his salary for the three years preceding that leave was debited to those revenues.

Read—

Endorsement of the Foreign Department, No. 353-F, dated 7th July 1873, on two letters from the Chief Commissioner of Mysore, containing the following proposals:—

1st.—That in modification of the rule of the 7th November 1872, it may be laid down that absentee pay shall be apportioned between the Imperial and the Mysore revenues on a calculation of the whole period of service by which the leave is earned, or that, except in the case of privilege leave, the period taken as the basis of apportionment be altered from three to six years.

2nd.—That the pay of an officer absent on privilege leave may be debited to the Imperial revenues and the revenues of the Native State in proportion to the length of service under each Government during the period by which the leave was earned.

RESOLUTION.—The Governor-General in Council sees no reason to modify the general rule laid down in Financial Resolution, No. 4004, dated 7th November 1872.

2. With regard to the question of the application of that Resolution to the cases of officers absent on privilege leave, the Governor-General in Council observes that the rule is applicable in the case of an officer absent on privilege leave in the same way as in the case of an officer absent on furlough. His Excellency in Council, therefore, directs that the salary of an officer on privilege leave shall be debited to the general revenues of India and the revenues of Mysore or the Berars in the proportions in which his salary was so debited during the preceding three years.

ORDER.—Ordered that the foregoing Resolution be communicated to—

The several Departments of the Government of India;
The several Local Governments and Administrations;
The Comptroller-General;
The several Accountants-General; and
The several Deputy Accountants-General in independent charge.
