Proceedings of the Madras Government, Financial Department,
14th August 1873.

Read the following papers:—

No. 99. From Messrs. P. ORR and Sons, to Lieutenant-Colonel J. GODDARD, R.E., Executive Engineer, Presidency, dated Madras, 9th July 1873.

With reference to the permission kindly given us by Colonel Walker and yourself to look over the Mint machinery with the object of seeing whether anything there would be of use to us, we beg to say we should like to have one of the small fly embossing presses of which there are several.

2. We should be glad to know for what price Government would let us have one. We would suggest 30 Rupees. If we may take one at this price, please give us permission to select one at your early convenience.

No. 1596.

Forwarded to the General Superintendent, Department of Public Works Stores and Workshops, with a request to report upon the proposal herein conveyed. Undersigned was not before aware of the "permission" referred to.

From J. N. GRAINGER, Esq., Storekeeper of Machinery, Chepauk, to Lieutenant-Colonel J. GODDARD, R.E., District Engineer, Presidency, dated Chepauk, 31st July 1873, No. 14.

With reference to your endorsement, No. 1596, dated 10th July 1873, on letter from Messrs. P. Orr and Sons, requesting me to report on their proposal to purchase one of the small fly embossing presses stored in the sheds at the back of the late Mint premises, I have the honour to state that these presses belonged to the late Mint, and are in the custody of the Storekeeper of Machinery. There appears to be no demand from any of the Government Departments for these presses, and as there are six in store, I beg to recommend that Messrs. Orr and Sons' offer of Rupees 30 for one be accepted.

2. It will be necessary to obtain the sanction of Government for the sale of the press in question, as the stores in the custody of the Storekeeper of Machinery do not appertain to the Public Works Department.

3. Mr. Woods, of the Firm of Messrs. Orr and Sons, probably alludes to the permission granted by me to inspect the machinery at the late Mint. I have no recollection of the permission accorded by you, referred to by (Mr. Woods) Messrs. Orr and Sons.

4. The letter from the above firm is returned.
