Before issuing the accompanying order I have thought it as well to draw attention to its being a complete change of principle, as the necessity for a Vice President being resident at Headquarters has hitherto been insisted on only in the case of Municipalities or Local Fund Boards of the 2nd Circle of a District where there is no resident President.

In G.O. of 16 May 1871 the non-resident Head Assistant Collector was appointed Vice President in Trichinopoly, Vizagapatam & Kurnool; similarly at Canara

I am not aware of these precedents - but I still think that the Vice President should always be a resident Official so as to take the Collr's place at any time at a moment's notice.

Submitting a letter from the President of the Circuit Committee, Chingleput, forwarding a Circular resolution of the Local Fund Board in the District, recommending certain changes in the powers of the Vice Presidents of Municipalities.

Read the following letter from the Secretary to Government, Public Works Department, dated 30th July 1873:

Sir,

I am directed to acknowledge the receipt of the proceedings of the Board of Revenue noted in the margin, forwarding a letter from the President of the Chingleput Circuit Committee, and the Circular resolution of the Local Fund Board in the District, recommending certain changes in the powers of the Vice Presidents of Municipalities, and to request that the Board will favour Government with their opinion on the subject.

I have the honor to be,
Sir,
Your most obedient servant,

Secretary to Government.

Ordered that Mr. S. S. Arthur the officiating Vice President of the Local Fund Board of the Chingleput Circuit, and the Collector of the District, be requested to favour the Board with their opinion on the subject of Government Letter No. 1184 dated 30th July 1873, from the Secretary to Government, Public Works Department, forwarding a letter from the President of the Chingleput Circuit Committee, and the Circular resolution of the Local Fund Board in the District, recommending certain changes in the powers of the Vice Presidents of Municipalities.

Vice-Chairman Cuddapah, in G.O. 3/23 May 1871 - while in the Tanjore Circle the Superintending Engineer was made Vice President.

~~of the Tanjore Circle, which the~~
~~Board of Revenue Commissioners made~~

There is a difference between Municipalities and Local Funds which makes the necessity of a resident Vice President not so great in the latter. In Municipalities there is a separate Municipal Office which may be completely under the control of the Vice President. In the case of Local Fund Boards there are only a few

* - The Superintending Engineer was also appointed Vice-President of Cuddalore the circle now in question & there are many other circumstances of more or less Vice Presidents.

Local Fund Clerks attached to the Collectors Office and the Collectors regular establishment is expected to do such Local Fund work as exists in Collectors Offices before the Boards were established. - Under these circumstances it seems that the Collector ~~of the~~ in the Chief Circle, and the Sub Collr in the 2nd circle must always be the working Officers -
