Proceedings of the Madras Government, Financial Department,

23rd August 1873.

No. 158. Read the following Proceedings of Government in the Public Works Department, dated 19th August 1873, No. 2069 :—

Read the following Proceedings of the Madras Government in the Financial Department, dated 31st July 1873, No. 1078 :—

ABSTRACT.—*Cocanada Circle.*—An estimate, amounting to Rupees 54,900, for the construction of a road from Amalapur to Yeddurlanca, sanctioned.

COMMUNICATED to the District Engineer, Godavery, and to the Controller of Public Works Accounts.

2. It is observed that the course of procedure adopted by the President of the Local Fund Board on this occasion, in deferring to submit for sanction an estimate which came into his hands and was adopted by the Local Fund Board prior to 15th October, till nine months later, is productive of much of the delay in commencing operations, and consequently of much of the unexpended balances, the blame for which is at the end of the year apt to be laid upon the executive officers of the Public Works Department. It is a standing rule* that none but sanctioned works should be included in Budgets ; and Presidents of Local Fund Boards will be instructed in the Financial Department to cause it to be gradually enforced in the preparation of future Budgets.

* *Vide* G.O., No. 3721, of 22nd November 1869.
