Proceedings of the Madras Government, Financial Department,

23rd August 1873.

No. 160. Read the following Proceedings of Government in the Public Works Department, dated 19th August 1873, No. 2070 :—

Read the following letter from Colonel E. A. FOORD, R.E., Inspecting Engineer for Civil and Military Buildings, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Bangalore, 28th July 1873, No. 847 :—

With reference to the Order of Government of the 16th April, No. 1100, I have the honour to forward, for sanction, an estimate of Rupees 52,100, accompanied by plan and specification, for additions and improvements proposed to be made to the Combaconum College in the Tanjore District.

2 Plans.
2 Abstract Estimates.
1 Specification.
2 Letters from District Engineer, Tanjore.

2. The plan and specification have been prepared by Mr. Chisholm, Government Consulting Architect. The quantities in the estimate have also been furnished by Mr. Chisholm, and the rates by the District Engineer. The estimate originally amounted to Rupees 47,300, but has been increased to Rupees 52,100, owing to certain omissions having now been supplied, and to provision having been made for wood oiling and painting the wood-work, and for special establishment.

3. The District Engineer having pointed out that temporary accommodation would be required for the classes while the new building is under construction, Rupees 675 have been added to the estimate as the probable cost of five sheds.

4. The rates for teak-wood wrought and delivered [illegible] windows and for iron railing have been furnished by the General Superintendent of the Public Works Stores and Workshops.

The estimate for carrying out the revised design for the Combaconum College, approved in G.O., No. 2472, of 21st October 1872, as finally revised by the Inspecting Engineer for Buildings, amounting to Rupees 52,100, is sanctioned, and forwarded to the Educational Department for provision of funds.
