No. 189. Read the following letter from Captain A. R. EDGCOME, R.E., Officiating District Engineer, Bellary, to Colonel G. W. WALKER, R.E., Chief Engineer and Secretary to Government, Public Works Department, Fort St. George, dated Chalkur, 14th July 1873, No. 580:—

I have the honour to inform you that Serjeant Barnes, Taluq Overseer of Adoni, has brought to my notice that payment has been demanded from him by the 2nd Class Hospital Assistant in charge of the Civil Dispensary at Adoni (which is under the management of the Municipality of that station), for medical aid given to the Serjeant and his family on certain occasions. The Serjeant states that medical service was rendered to him at other stations free of charge.

2. As a Non-Commissioned Officer, the Serjeant and his family appear entitled to medical aid and medicines gratuitously, *vide* Notification, No. 582, dated 24th March 1857, by Government of India, in Gantz' Circular Order Book, page 519.

3. The President, Municipal Commission (Collector of Bellary), to whom the question was referred, is of opinion that the point is one which should be decided by Government.

4. It seems desirable that there should be no doubt in a matter of this sort. The decision of Government is, therefore, solicited on the question whether a Non-Commissioned Officer and his family are, or are not, gratuitously entitled to medical aid and medicines from an institution of t above description.

Memo for Orders

A non-Commissioned officer on Civil employ at Adoni has been charged for medical aid rendered to himself and family by the 2nd Class Hospital Assistant in charge of the Adoni Municipality

No charge could have been made if the Medical officer had been on Govt employ.

The Dispensary is supported from Municipal funds - partly aided by a contribution from Local Funds and private subscriptions. No assistance is given by Govt at present.

JL

If pt does not aid this Hospital, gratuitous medical attendance & medicines cannot be expected. Under such circumstances pts must pay the bills - as the Non Civ? Officers in the Native families are entitled to this privilege under the orders of the Govt. If this man has an Extensive merchant for Mysore &c. Govt should
