Proceedings of the Madras Government, Financial Department,
27th August 1873.

No. 191. Read the following letter from E. B. POWELL, Esq., M.A., C.S.I., Director of Public Instruction, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Madras, 24th June 1873, No. 1331 :—

In my letters, Nos. 1927 and 2076, of the 4th and 20th September last, respectively, I recommended that the Inspectors and Deputy Inspectors of Schools should be constituted *ex officio* Members of Municipalities lying within their divisions and ranges. Upon these letters Government were pleased to pass their Order, No. 1371, of the 10th October last, in the Financial Department.

2. I am now informed that none of the Municipalities in Malabar consulted either Mr. Garthwaite or his Deputy in drawing up their Budgets, and the Inspector suggests that the Municipal Commissioners for Tellicherry, Calicut, Palghaut, and Cochin should be requested to send in, after consultation with him, supplemental Budgets for results' grants, and should be instructed in future to prepare the educational portions of their Budgets in consultation with the local Educational Officers.

3. I may remark that the Cochin Commissioners have provided nothing for results' grants though they have two aided elementary schools in the town and the Deputy Inspector was about to bring two more elementary schools under inspection.

4. I have the honour to support Mr. Garthwaite's suggestions.

No. 192. ORDER THEREON, 27th August 1873, No. 1215.

In the above letter the Director of Public Instruction brings to notice that none of the Municipalities in Malabar consulted either Mr. Garthwaite or his Deputy in drawing up their Budgets for 1873-74 and supports Mr. Garthwaite's proposals that the Municipal Commissioners should in future be instructed to prepare the educational portions of their Budgets in consultation with the local Educational Officers.

2. The Government observe that the Inspector and Deputy Inspector of Schools of the range are Members of all the Malabar Municipalities, and that it was, therefore, competent to them either to attend the meetings at which the Budgets were discussed or to forward their proposals to the President for consideration.

3. Any representation which Mr. Garthwaite may now be inclined to make regarding the desirability of submitting a supplemental Educational Budget will doubtless meet with full consideration at the hands of the President and Commissioners of the various Municipalities, and the Government do not see the necessity of issuing any special instructions in the matter.
