*Proceedings of the Madras Government, Financial Department,*
*29th August* 1873.

No. 212. Read the following Proceedings of the Board of Revenue, dated 6th August 1873, No. 4931 (Miscellaneous):—

Read the following letter from J. H. MASTER, Esq., President of the Local Fund Board, Bellary, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Bellary, 16th July 1873, No. 232.—

I have the honour to bring to your notice that, on the application of the Mahomedan community, the Local Fund Board of the Pennakonda Circle, in modification of the proposals made by the community, resolved, in the accompanying copy of their Proceedings, No. 3, dated 7th June last, to allow them to establish a Mahomedan Elementary School at Pennakonda with a schoolmaster on 15 Rupees salary, and to give Results' grants as well.

2. As this course does not appear to be allowable under the Local Fund Rules, I objected to the proposal; but the Circle Board in their Proceedings, No. 5, of 5th July 1873, maintain that the system is regular, and request me to lay the matter before the Board of Revenue for final orders.

3. If the proposition in question meet with the approval of the Board of Revenue, I request that you will be good enough to sanction from the General Reserve Rupees 105, being the amount required for payment to the schoolmaster up to the end of the current official year.

3. Read Arzi, No. 11, dated 2nd May 1873, from the Pennakonda Tahsildar, reporting on a petition presented by the Mahomedan community, and praying that a school may be established for elementary education among them.

The proposal is that the Board spend 200 Rupees on a building and allow 25 Rupees a-month for salaries of masters teaching Persian and Hindustani, and that fees be levied from the scholars.

Resolved that the Board are prepared to allow one schoolmaster at 15 Rupees and pay on the Results' grant system if a building can be found rent-free, as is highly possible. The Tahsildar will be referred.

The Board of Revenue will be asked to sanction this payment out of the General Fund.

5. Read President's docket, No. 77, dated 19th JULE 1873, intimating that both salary and Results' grants are not allowable, as proposed, to the Mahomedan Schoolmaster of Pennakonda.

The Board, on full consideration of the subject, do not consider that the rules prohibit the payment of both grants—a system that seems to them highly advantageous; and they trust that the President will lay the matter before the Board of Revenue for final orders.
