Proceedings of the Madras Government, Financial Department,
29th August 1873.

No. 214. Read the following letter from J. C. LOCH, Esq., President of the Municipal Commission, Madras, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Madras, 21st August 1873 :—

Adverting to the second paragraph of the Order of Government, No. 1132, dated 11th August 1873, I have the honour to explain, for the information of Government, that the charge for furniture in the statement of expenses incurred by this Municipality on account of the census of the town of Madras is for the cost of purchasing and making up such furniture as was necessary.

2. When no longer required for the Town Census Office it was taken over by Dr. Cornish for the use of the Presidency Census Establishment, and he informs me that it is his intention to sell it by public auction and credit one-half of the sale proceeds to Government and the Municipality, respectively.

To, The Sanitary Commissioner & Secretary to Govt. of India. Fort St George

Sept 5/73

Fort St George
the 1st September 1873

Sir,

Having the honour to transmit herewith, for the information of the Government of India, a Report from the Sanitary Commissioner with the Government, on the Epidemic Cholera which prevailed in this Presidency during the year 1872, I am directed by the Right Honble the Governor in Council to request that you will be pleased to lay the same before the Secretary of State for India in Council.

2. His Excellency in Council has perused the Report with much interest, and considers that the Sanitary Commissioner has performed his duty in a very satisfactory manner.

3. The Government of India will observe that the Sanitary Commissioner has suggested the appointment of a Medical Officer to assist him in the duties of his office. His Excellency in Council is of opinion that the appointment of such an Officer is necessary, and that the Sanitary Commissioner has made a judicious selection in the person of Surgeon Cornish, whose services he has requested may be placed at his disposal.

4. His Excellency in Council has also perused with much interest the Report of Surgeon Cornish on the Epidemic Cholera of 1872 in the Madras Presidency, and considers that he has performed the duty entrusted to him in a very satisfactory manner.
